## **Fake News Briefs Media Distortions English Edition:**

*Drums: Distortions, Rumours, Untruths, Misinformation, And Smears* Norman Vasu, Benjamin Ang, Shashi Jayakumar, 2018-12-17 Fake news is not new and this issue poses an even greater challenge now. The speed of information has increased drastically with messages now spreading internationally within seconds online. With countless photographs, opinions and hours of video published online, every falsehoods proliferate rapidly. Readers are overwhelmed by the flood of information but older markers of veracity, respected publications, official sources have not kept up nor has there been a commensurate growth in the ability to counter false or fake news. In many cases, staid publications of record such as newspapers have been eclipsed by new visually attractive and sometimes false sources of information. All this has given an opportunity to those seeking to destabilize a state or to push their perspectives to the fore. Modern disinformation operations only need free Twitter or Facebook accounts or access to platforms such as WhatsApp or Telegram. **DRUMS Distortions Rumours Untruths Misinformation and Smears** deals with the appeal of **DRUMS**, the ways **DRUMS** is employed and measures to counter it. Organized in three sections: i Cognitive Predispositions and **DRUMS**, ii The Employment of **DRUMS** and iii Countering **DRUMS**, this book offers a holistic discussion through the different specializations and different experiences of its academic think tankers or policy practitioners. Contributors: **DRUMS Distortions Rumours Untruths Misinformation and Smears** aims to serve those new to the topic or subject matter specialists seeking to widen their knowledge on other elements of the issue.

**Fake News** Brian McNair, 2017-11-09 Fake News Falsehood fabrication and fantasy in journalism examines the causes and consequences of the fake news phenomenon now sweeping the world's media and political debates. Drawing on three decades of research and writing on journalism and news media, the author engages with the fake news phenomenon in accessible, insightful language designed to bring clarity and context to a complex and fast-moving debate. The author presents fake news not as a cultural issue in isolation but rather as arising from and contributing to significant political and social trends in twenty-first century societies. Chapters identify the factors which have laid the groundwork for fake news' explosive appearance at this moment in our globalised public sphere. These include the rise of relativism and the crisis of objectivity, the role of digital media platforms in the production and consumption of news and the growing drive to produce online content which attracts users and generates revenue.

**Trump Unhinged** Greg Sterlace, 2017-11-13 I hardly used to care about politics. What was it to me what those fat cats down in Washington were doing? How did it affect my life? Then along comes Trump, the fattest cat of them all. Suddenly I am a political junkie. I care deeply about social issues. I go from having no feelings about Hillary Clinton to being her biggest fan. This book is a collection of what I've read and who I've become in the crazy days of Trump.

**Theorizing Mediated Information Distortion** Brian H. Spitzberg, 2023-09-08 This book explores the phenomenon of distortion of information through media via the lens of the COVID-19 pandemic and the ways in which relevant information distortion and virality have occurred in regard to the disease and its risks.
