War era up to the beginning of the Labour government in 1997 Examples are drawn from media political and official sources some not yet open and cover not only defence issues including Special Forces but also the activities of the secret intelligence services MI5 MI6 and GCHQ These cases relate principally to the UK but also to American and other allies interests The story of how this sometimes controversial institution now operates in the modern world will be essential reading for those in the media and government departments and for academics and students in the fields of security defence and intelligence as well as being an accessible expos for the general reader Nicholas Wilkinson served in the Royal Navy 1959 98 and from 1999 to 2004 he ran the independent Defence Press and Broadcasting Advisory Committee He was a Press Complaints Commissioner from 2005 to 2008 and is a Cabinet Office Historian
