Fall and I'll Catch You Regina Walker, 2023-08-22 Emeline has always been the biggest cheerleader for love in Double Creek but despite her best efforts she can't seem to find it herself As she watches her friends pair off and start families Emeline's heart aches for a love of her own But every almost date ends in disappointment leaving her feeling more alone than ever Even her best friend Spencer can't offer a good reason why she's still single Spencer has his own struggles to contend with He spends his days running the hardware store his dad passed down to him but at night he relives the most awful moment of his life Despite Emeline's unwavering support he's reluctant to burden her with his grief But as they work together to put on a fall festival at the local orchard Spencer can't deny the feelings he's always had for Emeline As Emeline and Spencer navigate their feelings for each other they'll discover that sometimes the person who picks you up when you fall is the one who steals your heart But with their pasts holding them back will they take the chance on each other Join Emeline and Spencer for a heartwarming small town romance that celebrates the beauty of fall the joy of harvest and the power of love Don't miss any of the heartwarming Double Creek love stories Pursuing the Paramedic Picking Pears with Piper Yielding in Yellowstone Hopeful in Hawaii Fall and I'll Catch You and Miracle Inn **Catch Me When I'm Falling** Cheryl A.

Head, 2019-04-08 Someone is murdering the homeless in Detroit's Cass Corridor by immolation These horrific crimes wouldn't require an investigation by Charlie Mack and her crack team investigators except one of the burned bodies is identified as her mother's friend There's a lot wrong with this case the police won't admit a serial killer is on the loose drug trafficking intersects with the deaths and a rogue cop is involved The timing also couldn't be worse Charlie and Mandy are finally moving in together This case becomes the most difficult of Charlie's career when she transforms herself into a street person and mixes with the corridor's gangs do gooders and the down and out to uncover evidence the police can't continue to ignore

After The Event Chris Henson, 2023-08-01 I am waiting for Mark For the last several months he has been missing Garbo like from public life But in reality he has been writing a new book We have agreed to go back over the original manuscripts for this edition to do some editing add in some extras delete a few choice words and phrases We meet in his London home where he is dressed in a workday uniform of brown shirt jeans and trainers hair clipped up in practical busy busy fashion all smiles and loud laughter We first met over five years ago Then we tentatively shook hands and the laughter was nervous All that has changed But some things have not He still famously hates interviews Around us there is evidence of a very regular existence There are books scattered everywhere a Sony widescreen with a DVD of Shackleton sitting below it Atop the fireplace hangs a painting called Fishermen by James Southall a tableau of weather beaten sea dogs wrestling with a rowing boat a gift he bought himself on the anniversary of a publication Balanced against a wall in the office next door is a replica of the Rosebud sledge burned at the dramatic conclusion of Citizen Kane As I unpack my scripts I begin with a question You once said There is a figure that is adored but I'd question very strongly that it's me There is silence A stare You did say it

Well supposedly I said that But in what context did I say it Just talking about people building up this image of you It was one of the first things you ever said to me Yes but I m not am I There was also that interview that described you as someone fragile being who s hidden himself away That was fairly amusing A lot of the time it doesn t bother me I suppose I do think I go out of my way to be a very normal person and I just find it frustrating that people think that I m some kind of weirdo reclusive that never comes out into the world His voice notches up in volume Did you ever feel you would finish your first book Oh yeah he sighs I mean there were so many times I thought I ll have the book finished this year definitely I ll get it out this year Then there were a couple of years where I thought I m never gonna do this I don t know why Time evaporates He walks over and picks up the manuscripts He reads a bit He laughs Did I really agree to this he asks Mark knows the answer A couple of people who read the first book Tour De Europa he says they either really liked it or they found it very uncomfortable I liked the idea of it being uncomfortable I thought that was great I love the ambiguity But I also loved looking back on lost conversations and instantly remembering an emotion A clock somewhere strikes two and a friend arrives with tea pizza avocado with balsamic vinegar and cream cake for afters only to be playfully admonished by Mark who protests I can t eat all this shit It would appear some things never change *Detective Fiction: the Novel* Niama Leslie
