Fate And Fury Quinn Loftis:

Fate And Fury Quinn Loftis, 2013-03-13 The last few days have been the darkest of Sally's life. After experiencing the joy of finding her mate, she now suffers the pain of losing everything she holds dear. Both the Romanian and Serbian packs have been captured, ripping Sally's soul mate away from her almost as soon as she had found him. Her best friend and the emotional glue that usually holds Sally together, Jacques Pierce, lies writhing in a restless coma, having been put down by Desdemona's dark magic. Jennifer Adams, the unshakable one, has revealed to her friends and her mate that she is pregnant, but the Fates have marked her unborn baby for death. Though she rails against the darkness deep inside, Jen knows that Decebel's baby must die as payment for her own life, and the knowledge is tearing her soul to pieces. **The Grey Wolves**

Series Books 4-6 Quinn Loftis, 2019-10-28 Darkness has descended on the Transylvanian Alps. The Grey Wolves Series continues as the pack recovers from betrayal by one of their own, an Alpha hell bent on becoming the most powerful Canis lupus on earth. And though the wolf's assassination attempt on Vasile, the leader of the Romanian greys, failed, he's left destruction, death, and a missing mate behind him. The rogue Alpha fled, but he's left a surprise for the Romanian pack: a witch intent on destroying the Romanian grey wolves. A devastating curse threatens to cripple Decebel and could dissolve his fragile bond with his mate, Jennifer. Meanwhile, injured and alone, Jen has been fighting for her life. She has come to terms with her fate, accepting she will not share a life with Decebel until help comes in the most unexpected form, but will it be in time? The Romanian pack will have to use all its resources, including Sally, the pack's new gypsy healer, to find a way to destroy the witch, lift the curse, and solve a mystery that's surrounded the wolves for 300 years. What readers are saying about this series: All-time favorite Wolf Series. My new favorite series. I went through all 6 in under 5 days. I could not put them down. Best Series EVER. The Grey Wolves Series has over 100 thousand five-star reviews across all platforms. Don't start this series unless you're ready to join the pack. You will get hooked. **Beyond the Veil**

Quinn Loftis, 2012-12-05 Though the Serbian pack has been brought to heel thanks to the downfall of their Alpha, the war is far from over. Desdemona, a witch of unfathomable power, has escaped the wolves' wrath, but she will not go quietly into the night. She takes refuge in a place where even the smallest sliver of light does not dare to enter. Though she had to flee, she has not given up on the treasure she wishes to acquire. Her depravity knows no bounds; she's even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia. With good reason, the danger is incalculable. Meanwhile, there are major changes rippling through the Romanian Grey Wolves. Decebel has become Alpha to the Serbian pack in an effort to begin to unite the Canis lupus species. Their numbers are dwindling in the wake of the shortage of true mates and lack of offspring. The wolves are beginning to lose faith, and darkness seems to be crashing in on them from all sides. But the winds of change are blowing changes that will alter the future of not only the Canis lupus but of another ancient

race as well Amidst all of this Sally is continuing to come to terms with her relationship with the playful charming flirty unbelievably handsome bartender who happens to be a member of the Romanian pack If all that weren't enough the Fates have decided to pay a little visit to Jen It's time to collect She cheated the Fates of a life her life Now they want what they are due The problem It's more than Jen is willing to pay Yes the war is indeed far from over Bargains will be struck declarations will be made sacrifices will be given love will be tested and trust will be questioned as evil makes its stand against them all

Dream of Me Quinn Loftis, 2015-02-28 From the author who brought you the award winning Grey Wolves and Elfin Series now brings you a new series based on the human legend the Sandman The truth of who and what he is lies between these pages and he is so much more than anyone could have ever imagined In the evening he blows softly upon their necks till their heads begin to droop Under each arm he carries an umbrella one of them with pictures on the inside he spreads over the good children and then they dream the most beautiful stories the whole night Hans Christian Anderson Since the dawn of time Brudair otherwise known as the Sandman to the world has faithfully lived out his purpose faithfully performed his duties He has never questioned his lot among the immortals until now until her Sarah Serenity Tillman a consummate beauty both inside and out is a high school senior five months from her graduation She has great plans dreams of leaving the small town of her childhood behind her forever But destiny has other plans and it's the Sandman's job to make sure those plans are fulfilled The tall muscular Sandman known as Dair to his friends dressed in black wrapped in shadows is more than a myth

And he has a job to do His very existence makes him a creature of the night because dreams yes the legends got that part right were indeed his specialty But his purpose was more than just weaving dreams for sleeping children No his dreams were made to influence made to ensure that certain special individuals those individuals who would change the course of history actually accepted their chosen destiny Little does Serenity know that she is Dair s next assignment And the dream that he weaves for her if she follows its influence will change the course of not only her life but possibly the whole of history as well But she isn t the only one being influenced The beauty inside of her was weighing on the Sandman lighting up the darkness that was his constant companion Her light was warmth it was life and he didn t understand how he had survived the previous millennia without it The Sandman was indeed greater than anything humans had ever imagined and his purpose was vital to the course of history So what happens when the weaver of dreams gets so distracted by a mere human that he ignores his own duties in the immortal realm How can an immortal who was never meant to have a mate join a young woman in her destiny without irrevocably changing the lives of millions and potentially altering history in a way the Creator never intended Dream of me Princess Dair whispered into her ear Then weave me a dream Sandman she said softly And we can dream together As her eyes grew heavy she heard Dair s voice telling her to sleep to open her mind to him and let him in I m all yours she thought as sleep finally claimed her

Dream So Dark Quinn Loftis, 2017-11-07 He was created to be a messenger and guider of dreams He has traveled the earth for centuries upon centuries fulfilling his purpose Until her Serenity crept into his existence as seamlessly as the dreams he wove and just as effortlessly she stole his heart Their future is still unclear but Dair knows he doesn t want to spend even another hour without her Meanwhile Emma Whitmore a brilliant young girl whose overcome so much at her tender young age was dropped in both their laps but for what purpose neither is certain Taken from the people she s grown to love and put in a home with a man who has no love to give she fights to survive She just has to hang on until she can be returned to the adoptive family who has already claimed her Three lives unsure of what is to come fighting the darkness that is closing in all around them If they are to have any future together then evil cannot prevail But at what cost to them

Den Of Sorrows Quinn

Loftis,2016-03-25 The Romanian and Serbian Canis lupus rest in an uneasy peace One of their own Sally Miklos the young and powerful gypsy healer aids Perizada in her quest to defeat Volcan a long forgotten nightmare returned to our world These two packs watch as their brothers across the world wolves from Spain Ireland and America join their own forces in the battle against the evil dark fae At the same time the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers While Jacque and Jen miss Sally their longtime best friend they have bided their time dealing with their own domestic issues Jacque and Fane are anticipating the birth of their first child and Jen and Decebel face the challenges of caring for an infant Both girls are eagerly awaiting Sally s return and have Perizada s word that she will be back in time for the birth of Jacque s baby Vasile and Alina the Alpha pair of the Romanian pack are enjoying this time of peace But Vasile did not become the most powerful Alpha in centuries by being a fool He has lived long enough to know that there is always another battle on the horizon As long as evil exists in this world his race must step forward and stand in the gap shielding those who cannot protect themselves But the battle he is anticipating is bigger than he could have ever imagined As Perizada has recently discovered creatures of the night that have for so long remained hidden from the human realm have slithered from their underground lairs and begun preying on the young and innocent The high fae has declared war and she expects Vasile and his wolves to be the ones to carry out the attack The Alpha is more than happy to oblige But with his first grandchild on the way and the gift of five vulnerable healers coming under the wolves protection he understands that he must be very careful not to place any of them in harm s way Such is the job of the Alpha protector and provider He and those he leads must stand as sentinels and warriors to safeguard those they love and the humans who know nothing of the supernatural world It will be their job to destroy the creatures that threaten to expose them all And if they fail the world as they know it both human and supernatural will never be the same

Cleansed By Water Quinn Loftis,2020-08-11 Nothing is stronger than the power of a soulbond even the end of the world Gabby Gellar is a fire elemental with an attitude She has been told so many times by her parents that she s worthless she no longer questions that truth Pushed away by the only people she s ever loved Gabby shuts everyone out Friends acquaintances buddies chums and especially romantic relationships are kept at arm s length or further if she can help it Gabby knows she could never be good enough to be anyone s girlfriend much less someone s soulbonded So why does the thought of a certain water elemental have her out of bed well past midnight pacing and cursing trying to deny the part of her that s silently calling to him reaching for his magic thirsting for it like a dying man in the desert Dammit To Liam Nash life is merely a joke something to laugh at and enjoy An endless stream of amusements made even more amusing by the water magic he uses to manipulate the world around him Liam never thought he d actually have a soulbonded He was content to be unattached a flirt a perpetual bachelor but that was before he met Gabby Now he was certain she was his soulbonded as sure as the sun would rise tomorrow Unfortunately the sun s rising is no longer a sure thing With half of the

royal elementalists imprisoned in the underworld the earth's climate has been thrown into chaos Temperatures are steadily dropping volcanoes are spontaneously erupting and earthquakes are becoming commonplace If the light elementalists have any hope of rescuing the planet from the dark forces seeking to destroy it the elemental academies will have to work together That means an overeager water elemental and a reluctant fire wielder are about to be thrown together and asked to save the world Could the bond between Liam and Gabby be the very thing needed to rally the forces of light to victory

The Burning Claw Quinn Loftis, 2016-09-10

Jacque's mind wandered as she hovered somewhere between life and death Her body longed to let go to sink into the peaceful abyss to the place where she didn't have to worry about rabid child snatching vampires and the carnage they'd caused to so many innocent families But something kept her here tethered to this world something she couldn't quite remember hovered just on the edge of her consciousness something vital It wasn't Fane he would be with her on the other side she knew that If she died he died too and he wouldn't have it any other way She could feel Peri's presence in her body The fae was fighting expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae But why Why was the fae fighting as if her own life depended upon Jacque's survival Jacque was starting to remember someone else someone that depended on her A brand new life precious and perfect her son Costin's best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae But the thread holding Costin to his own sanity was just as feeble Sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone Simply vanished Costin didn't know how or where and it was tearing him up inside The young boy Titus his adopted son was the only thing that kept his wolf from taking over completely Costin would be strong for the boy for as long as he could but he wasn't sure how long he could keep the feral wolf at bay Bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant Though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her Drake was past the point of feral when he'd found her and that kind of darkness doesn't let go without a fight The strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf Bethany a dormant who had no idea who or what she was didn't stand a chance
