Fearful Passage North:

Fearful Passage North Wilmont R. Kreis, 2015-01-02 1704 Deerfield Massachusetts the limits of the American frontier Seeking a normal adolescence it is the chance meeting of a strange young man that puts excitement into Lizzie Price's life leading to romance and a marriage not entirely embraced by her Puritan community During one of New England's harshest winters when she has just begun her wonderful new life Lizzie and her community are violently wrenched into chaos when an army of Indians and their French military supporters burn the village and kill or capture half of its occupants Led by leather lashes around their necks the captives are marched for a month on a fearful passage north through the winter wilderness of Vermont to the relative metropolis of Montreal In this totally foreign setting of French Canadian Catholicism Lizzie is forced to find a new life Not only a journey through the frozen wild but a journey through the cultures of Puritan New England American Indian and French Canadian Catholic all so different yet so hauntingly similar If you enjoyed the Allard Series and Kreis ability to bring history to life you will love Fearful Passage North **Thomas North's 1555 Travel Journal** Dennis McCarthy, June Schlueter, 2021-02-11 Thomas North's 1555 Travel Journal From Italy to Shakespeare makes available a little known early modern journal kept by a member of Queen Mary's delegation to Rome its purpose to win papal approval of England's return to Roman Catholicism The book provides details of the six month journey a discussion of the manuscript and an identification of the twenty year old Thomas North as its author It also points to numerous connections between the journal and the plays of Shakespeare extending the playwright's debt beyond North's translation of Plutarch's Lives and revealing how the journal served as a template for The Winter's Tale and Henry VIII Both the authors argue were written by North during the Marian years 1554-58 and later adapted by Shakespeare Like the authors 2018 A Brief Discourse of Rebellion and Rebels by George North this book presents original work using digital research tools including massive databases and plagiarism software The earlier book garnered worldwide attention with a front page story in The New York Times **Political Power in Alabama** Anne Permaloff, Carl Grafton, 2008-12-01 Political Power in Alabama is the sequel to Anne Permaloff and Carl Grafton's Big Mules and Branchheads a biography of the populist governor Big Jim Folsom Encompassing the years from 1958 to 1970 and the gubernatorial terms of John Patterson George Wallace Lurleen Wallace and Albert Brewer the present volume offers a full account of the breakup of the Big Mule Alliance the elite coalition of Alabama's largest industrial and agricultural interests and the subsequent effects on the state's political environment Dominating Alabama politics for most of the century through disenfranchisement and control of the legislature the Big Mules wanted low taxes a minimally effective school system no effective labor unions a small electorate and racial segregation By 1958 however the Big Mules urban and rural elements had grown disaffected with one another and outside forces were driving them apart In a few years the legislature and the electorate would be drastically restructured Although this period could have been a time to set new policy directions for the state say Permaloff and Grafton many opportunities for change

were squandered establishing the politics of Alabama today and the problems facing the state Political Power in Alabama covers an extraordinarily complex set of issues and events including the civil rights struggle urban rural disparities the lack of party competition the structure of the tax system and the economic and cultural gaps separating Alabama and the rest of the South from the nation **The Dublin university magazine** University magazine,1854 University Magazine ,1854 The Dublin University Magazine ,1854 **The Life of Christopher Columbus** comte Roselly de Lorgues,1869 **The London Magazine, Or, Gentleman's Monthly Intelligencer** ,1754 *The Life of Christopher Columbus. ...
