## **Feminist Rereadings Of Rabbinic Literature Hbi Series On Jewish Women:**

*Feminist Rereadings of Rabbinic Literature* Inbar Raveh, 2014-11-04 This book offers a fresh perspective on classical Jewish literature by providing a gender based feminist reading of rabbinical anecdotes and legends Viewing rabbinical legends as sources that generate perceptions about women and gender Inbar Raveh provides answers to questions such as how the Sages viewed women how they formed and molded their characterization of them how they constructed the ancient discourse on femininity and what the status of women was in their society Raveh also re creates the voices and stories of the women themselves within their sociohistorical context moving them from the periphery to the center and exposing how men maintain power Chapter topics include desire and control pain midwives prostitutes and myth A major contribution to the fields of literary criticism and Jewish studies Raveh s book demonstrates the possibility of appreciating the aesthetic beauty and complexity of patriarchal texts while at the same time recognizing their limitations Feminist Rereadings of Rabbinic Literature

Inbar Raveh, 2014-11-04 This book offers a fresh perspective on classical Jewish literature by providing a gender based feminist reading of rabbinical anecdotes and legends Viewing rabbinical legends as sources that generate perceptions about women and gender Inbar Raveh provides answers to questions such as how the Sages viewed women how they formed and molded their characterization of them how they constructed the ancient discourse on femininity and what the status of women was in their society Raveh also re creates the voices and stories of the women themselves within their sociohistorical context moving them from the periphery to the center and exposing how men maintain power Chapter topics include desire and control pain midwives prostitutes and myth A major contribution to the fields of literary criticism and Jewish studies Raveh s book demonstrates the possibility of appreciating the aesthetic beauty and complexity of patriarchal texts while at the same time recognizing their limitations **A Jewish Woman of Distinction** ChaeRan Y. Freeze, Zinaida

Poliakova, 2019-12-20 Zinaida Poliakov 1863 1953 was the eldest daughter of Lazar Solomonovich Poliakov one of the three brothers known as the Russian Rothschilds They were moguls who dominated Russian finance and business and built almost a quarter of the railroad lines in Imperial Russia For more than seventy five years Poliakov kept detailed diaries of her world giving us a rare look into the exclusive world of Jewish elites in Moscow and St Petersburg These rare documents reveal how Jews successfully integrated into Russian aristocratic society through their intimate friendships and patronage of the arts and philanthropy And they did it all without converting in fact while staunchly demonstrating their Jewishness Poliakov s life was marked by her dual identity as a Russian and a Jew She cultivated aristocratic sensibilities and lived an extraordinarily lifestyle and yet she was limited by the confessional laws of the empire and religious laws that governed her household She brought her Russian tastes habits and sociability to France following her marriage to Reuben Gubbay the grandson of Sir Albert Abdullah Sassoon And she had to face the loss of almost all her family members and friends during the Holocaust Women s voices are often lost in the sweep of history and so A Jewish Women of Distinction is an exceptional much

needed collection These newly discovered primary sources will change the way we understand the full breadth of the Russian Jewish experience **Marie Syrkin** Carole S. Kessner,2021-10-08 As poet and journalist Zionist activist and public intellectual Syrkin s work and actions illuminate a wide range of twentieth century literary cultural and political concerns Her passions demonstrate as Irving Howe said a life of commitment to values beyond the self **Frankly Feminist** Susan Weidman Schneider,Yona Zeldis McDonough,2022-10-06 A groundbreaking Jewish feminist short story collection Short story collections focusing on Jewish writers have typically given women authors short shrift This new volume represents the best Jewish feminist fiction published in Lilith Magazine and does what no other collection has done before in its geographic scope It showcases a wide range of stories offering variegated cultures and contexts and points of view Persian Jews a Biblical matriarch an Ethiopian mother in modern Israel suburban American teens Eastern European academics a sexual questioner a Jew by choice a new immigrant escaping her Lower East Side sweatshop a Black Jewish marcher for justice in Vichy France a toddler s mother hiding out and more Organized by theme the stories in this book emphasize a breadth of content Readers will appreciate the liveliness of burgeoning self awareness captured in each tale and the occasional funny call your friend and tell her about it moment Skip around encounter an author whose other writing you may know be enticed by a title or an opening line You will find both pleasure and enlightenment and even perhaps revelation within these pages [Jewish Families in Europe, 1939-Present](#) Joanna Beata Michlic,2017-01-03 This book offers an extensive introduction and 13 diverse essays on how World War II the Holocaust and their aftermath affected Jewish families and Jewish communities with an especially close look at the roles played by women youth and children Focusing on Eastern and Central Europe themes explored include how Jewish parents handled the Nazi threat rescue and resistance within the Jewish family unit the transformation of gender roles under duress youth s wartime and early postwar experiences postwar reconstruction of the Jewish family rehabilitation of Jewish children and youth and the role of Zionism in shaping the present and future of young survivors Relying on newly available archival material and novel research in the areas of families youth rescue resistance gender and memory this volume will be an indispensable guide to current work on the familial and social history of the Holocaust **The Weavers of Trautenau** Janine Holc,2023-10-16 A sympathetic history that focuses on the experiences of women and girls during the Holocaust and draws on new archival sources Beginning in late 1940 over three thousand Jewish girls and young women were forced from their family homes in Sosnowiec Poland and its surrounding towns to worksites in Germany Believing that they were helping their families to survive these young people were thrust into a world where they labored at textile work for twelve hours a day lived in barracks with little food and received only periodic news of events back home By late 1943 their barracks had been transformed into concentration camps where they were held until liberation in 1945 Using a fresh approach to testimony collections Janine P Holc reconstructs the forced labor experiences of young Jewish females as told by the women who survived and shared their testimony Incorporating new source material the book

carefully constructs survivors stories while also taking a theoretical approach one alert to socially constructed intersectional systems of exploitation and harm The Weavers of Trautenau elucidates the limits and possibilities of social relations inside camps and the challenges of moral and emotional repair in the face of indescribable loss during the Holocaust **Girls of Liberty** Margalit Shilo,2016-04-05 Following the Balfour Declaration and the British conquest of Palestine 1917 1918 the small Jewish community that lived there wanted to establish an elected assembly as its representative body The issue that hindered this aim was whether women would be part of it A group of feminist Zionist women from all over the country created a political party that participated in the elections even before women s suffrage was enacted This unique phenomenon in Mandatory Palestine resulted in the declaration of women s equal rights in all aspects of life by the newly founded Assembly of Representatives Margalit Shilo examines the story of these activists to elaborate on a wide range of issues including the Zionist roots of feminism and nationalism the ultra Orthodox Jewish sector s negation of women s equality how traditional Jewish concepts of women fashioned rabbinical attitudes on the question of women s suffrage and how the fight for women s suffrage spread throughout the country Using current gender theories Shilo compares the Zionist suffrage struggle to contemporaneous struggles across the globe and connects this nearly forgotten episode absent from Israeli historiography with the present situation of Israeli women This rich analysis of women s right to vote within this specific setting will appeal to scholars and students of Israel studies and to feminist and social historians interested in how contexts change the ways in which activism is perceived and occurs *Love, Marriage, and Jewish Families* Sylvia Barack Fishman,2015-11-22 The concepts of gender love and family as well as the personal choices regarding gender role construction sexual and romantic liaisons and family formation have become more fluid under a society wide softening of boundaries hierarchies and protocols Sylvia Barack Fishman gathers the work of social historians and legal scholars who study transformations in the intimate realms of partnering and family construction among Jews Following a substantive introduction the volume casts a broad net Chapters explore the current situation in both the United States and Israel attending to what once were considered unconventional household arrangements including extended singlehood cohabitating couples single Jewish mothers and GLBTQ families along with the legal ramifications and religious backlash Together these essays demonstrate how changes in the understanding of male and female roles and expectations over the past few decades have contributed to a social revolution with profound and paradoxical effects on partnering marriage and family formation This diverse anthology with chapters focusing on demography ethnography and legal texts will interest scholars and students in Jewish studies women s and gender studies Israel studies and American Jewish history sociology and culture [A Season of Singing](#) Sarah M. Ross,2016-08-16 Describes the development of feminist Jewish songwriting in the United States and analyzes key composers and their songs **Glikl** Glueckel (of Hameln),2019-12-15 My dear children I write this for you in case your dear children or grandchildren come to you one of these days knowing nothing of their family For this reason I

have set this down for you here in brief so that you might know what kind of people you come from These words from the memoirs Glikl bas Leib wrote in Yiddish between 1691 and 1719 shed light on the life of a devout and worldly woman Writing initially to seek solace in the long nights of her widowhood Glikl continued to record the joys and tribulations of her family and community in an account unique for its impressive literary talents and strong invocation of self Through intensely personal recollections Glikl weaves stories and traditional tales that express her thoughts and beliefs While influenced by popular Yiddish moral literature Glikl s frequent use of first person and the significance she assigns her own life experience set the work apart Informed by fidelity to the original Yiddish text this authoritative new translation is fully annotated to explicate Glikl s life and times offering readers a rich context for appreciating this classic work     Expanding the Palace of Torah Tamar Ross,2021-07-30 Expanding the Palace of Torah offers a broad philosophical overview of the challenges the women s revolution poses to Orthodox Judaism as well as Orthodox Judaism s response to those challenges Writing as an insider herself an Orthodox Jew Tamar Ross confronts the radical feminist critique of Judaism as a religion deeply entrenched in patriarchy Surprisingly very little work has been done in this area beyond exploring the leeway for ad hoc solutions to practical problems as they arise on the halakhic plane In exposing the largely male focused thrust of the rabbinic tradition and its biblical grounding she sees this critique as posing a potential threat to the theological heart of traditional Judaism the belief in divine revelation This new edition brings this acclaimed and classic text back into print with a new essay by Tamar Ross which examines new developments in feminist thought since the book was first published in 2004     Bringing Down the Temple House Marjorie Lehman,2022-04-18 A feminist project that privileges the Babylonian Talmudic tractate as culturally significant While the use of feminist analysis as a methodological lens is not new to the study of Talmudic literature or to the study of individual tractates this book demonstrates that such an intervention with the Babylonian Talmud reveals new perspectives on the rabbis relationship with the temple and its priesthood More specifically through the relationships most commonly associated with home such as those of husband wife father son mother son and brother brother the rabbis destabilize the temple bayit or temple house Moving beyond the view that the temple was replaced by the rabbinic home and that rabbinic rites reappropriate temple practices a feminist approach highlights the inextricable link between kinship gender and the body calling attention to the ways the rabbis deconstruct the priesthood so as to reconstruct themselves

**Midrashic Women** Judith R. Baskin,2015-05-01 While most gender based analyses of rabbinic Judaism concentrate on the status of women in the halakhah the rabbinic legal tradition Judith R Baskin turns her attention to the construction of women in the aggadic midrash a collection of expansions of the biblical text rabbinic ruminations and homiletical discourses that constitutes the non legal component of rabbinic literature Examining rabbinic convictions of female alterity competing narratives of creation and justifications of female disadvantages as well as aggadic understandings of the ideal wife the dilemma of infertility and women among women and as individuals she shows that rabbinic Judaism a tradition formed by

men for a male community deeply valued the essential contributions of wives and mothers while also consciously constructing women as other and lesser than men Recent feminist scholarship has illuminated many aspects of the significance of gender in biblical and halakhic texts but there has been little previous study of how aggadic literature portrays females and the feminine Such representations Baskin argues often offer a more nuanced and complex view of women and their actual lives than the rigorous proscriptions of legal discourse Midrashic Women Judith R.

Baskin,2002-06 A unique look at how non legal rabbinic writings imagine women and their lives **Mine and Yours are Hers** Ilan,2018-12-10 This book discusses the interaction between history rabbinic literature and feminist studies Recent approaches to rabbinic literature have overturned the traditional view of these writings and new literary methods were suggested mostly denying them all historical value But rabbinic literature constitutes the main source for the lives of Jews in Palestine and Babylonia during the late Roman period and thus should not be totally rejected This study suggests a new post literary approach i e it discusses the residue of the texts after these have been analyzed and dissected by literary critics But mainly this is a book about women s history adopting many assumptions of feminist criticism about the androcentric nature of all ancient texts and approaches them with due suspicion The Rabbis treated women differently from the way they treated men This resulted in the former s marginalization and manipulation by the texts On the other hand however it created an ironic situation whereby principles useful for the recovery of historical information on women are useless when applied to men This study describes such principles and demonstrates them with the help of many examples **Rereading The Rabbis** Judith Hauptman,2019-04-11 Fully acknowledging that Judaism as described in both the Bible and the Talmud was patriarchal Judith Hauptman demonstrates that the rabbis of the Talmud made significant changes in key areas of Jewish law in order to benefit women Reading the texts with feminist sensibilities recognizing that they were written by men and for men and that the **Mine and Yours are Hers** Ilan,Ṭal Ilan,1997 This book suggests several methods with which rabbinic sources can be approached in order to obtain information about women s history It is the first feminist book about rabbinic literature which treats the latter as a historical source It contains many examples and discusses for the first time many sources relevant for the issue of women in rabbinics Bringing Down the Temple House Marjorie Suzan Lehman,2022 A feminist project that privileges the Babylonian Talmudic tractate as culturally significant While the use of feminist analysis as a methodological lens is not new to the study of Talmudic literature or to the study of individual tractates this book demonstrates that such an intervention reveals new perspectives on the rabbis relationship with the temple and its priesthood *Mine and Yours Are Hers* Ṭal İlân, This book suggests several methods with which rabbinic sources can be approached in order to obtain information about women s history It is the first feminist book about rabbinic literature which treats the latter as a historical source It contains many examples and discusses for the first time many sources relevant for the issue of women in rabbinics

Getting the books **Feminist Rereadings Of Rabbinic Literature Hbi Series On Jewish Women** now is not type of inspiring means. You could not by yourself going subsequent to book amassing or library or borrowing from your associates to entrance them. This is an categorically simple means to specifically get lead by on-line.
