Romance in the 21st Century Vanessa Grant, 2019-05-24 This new inclusive guide to planning and plotting romance novels in the 21st Century is written by Vanessa Grant the author of 32 published romance novels with over 10 million copies of her books sold Vanessa has been translated into 15 languages and has presented writers workshops in Canada the USA Australia and New Zealand Her iconic guide WRITING ROMANCE was originally published in 1997 went into subsequent editions in 2001 and 2007 Whether you re new to writing or a published author whether you re a Plotter or a Panster this new guide to plotting and planning romantic fiction demonstrates creative strategies for using your own personality and experiences to create powerful characters who evoke strong emotions in both you as the writer and your readers Romantic fiction has become more inclusive in the 21st century reflecting a growing acceptance of the diversity of race color sexual orientation gender identity and gender expression Despite all these changes the heart of romance remains unchanged Romantic love features in almost all our fiction and in our ballads poetry movies and dreams Half of all paperbacks sold are romance novels stories in which human individuals struggle to overcome the obstacles to their romantic love The need to love and be loved is deeply embedded in our DNA and our brains When we love and are loved we become stronger and we live longer forging bonds for a lifetime Whatever kind of romance you want to write and whether romance is the primary focus of your story or a sub plot for your mystery science fiction fantasy historical or futuristic novel the 21st century is calling on you to create a story with characters readers can believe in characters who are emotionally and psychologically true Praise for previous editions of Vanessa Grant s Writing Romance Essential for all aspiring romance writers Jo Beverley best selling romance author It s by far the best writing book I ve ever read Five stars for Vanessa The Writer s Markets Report National Writers Monthly Writing Romance is a kind of how to do it yourself romance writer s workshop under one cover and will reward the serious reader by offering helpful practical advice so necessary to successfully break into print in the romance field Highly Recommended Midlist Book Review Writing Romance is a thoroughly professional guide to a business that generates close to 1 billion a year Canadian Book Review Annual Plots Unlimited Tom Sawyer, Arthur David Weingarten, 1995 This is a veritable thesaurus of exciting plot twists and story moves that work for any composition of any genre

Romancing the Beat Gwen Hayes, 2016 What makes a romance novel a romance How do you write a kissing book Writing a well structured romance isn t the same as writing any other genre something the popular novel and screenwriting guides don t address The romance arc is made up of its own story beats and the external plot and theme need to be braided to the romance arc not the other way around Told in conversational and often irreverent prose Romancing the Beat can be read like you are sitting down to coffee with romance editor and author Gwen Hayes while she explains story structure The way she does with her clients Some of whom are regular inhabitants of the New York Times and USA Today bestseller lists Romancing the Beat is a recipe not a rigid system The beats don t care if you plot or outline before you write or if you pants your way through the drafts and do a beat check when you re revising Pantsters and plotters are both welcome So sit down grab a cuppa and let s talk about
