Manual for performance evaluation of regulatory authorities seeking designation as WHO-listed authorities World Health Organization, 2023-11-14 This manual provides operational and technical details for the performance evaluation PE exercise that must be conducted for a regulatory authority RA to achieve listing as a WHO listed authority WLA in relation to each regulatory function The PE manual should be read in conjunction with the Operational guidance for evaluating and publicly designating regulatory authorities as WHO listed authorities The Operational Guidance For the purposes of this document the term regulatory authority RA unless otherwise stated may refer to either a national regulatory authority NRA or a regional regulatory system RRS The basis for designation as a WLA is provided by the Global Benchmarking Tool GBT which is complemented by a series of PE activities designed to establish a detailed picture of how the regulatory system performs on relevant regulatory processes including how consistently it adheres to quality procedures and how well it delivers the desired regulatory outputs in accordance with good regulatory practices ProPack II Valerie Stetson, Susan Hahn, David Leege, Debbie Reynolds, Guy Sharrock, 2007-04-09 Evaluation of the Department of Veterans Affairs Mental Health Services National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Board on Health Care Services, Committee to Evaluate the Department of Veterans Affairs Mental Health Services, 2018-04-29 Approximately 4 million U S service members took part in the wars in Afghanistan and Iraq Shortly after troops started returning from their deployments some active duty service members and veterans began experiencing mental health problems Given the stressors associated with war it is not surprising that some service members developed such mental health conditions as posttraumatic stress disorder depression and substance use disorder Subsequent epidemiologic studies conducted on military and veteran populations that served in the operations in Afghanistan and Iraq provided scientific evidence that those who fought were in fact being diagnosed with mental illnesses and experiencing mental health related outcomes in particular suicide at a higher rate than the general population This report provides a comprehensive assessment of the quality capacity and access to mental health care services for veterans who served in the Armed Forces in Operation Enduring Freedom Operation Iraqi Freedom Operation New Dawn It includes an analysis of not only the quality and capacity of mental health care services within the Department of Veterans Affairs but also barriers faced by patients in utilizing those services *Forest Management Auditing* Lucio Brotto, Davide Pettenella, 2018-08-30 Forest management auditing is expanding from its traditional focus on forest management stewardship and Chain of Custody certification to more innovative topics such as ecosystem services forest carbon credits Non Wood Forest Products wood energy and Fair Trade certification Forest managers auditors and project developers require a new range of skills capacities and expertise to monitor these issues This book outlines the market based tools that are required by such professionals to ensure corporate social responsibility in the forestry sector It shows how a mutual learning process between established forest certification processes and innovative

markets is needed It addresses key topics such as High Conservation Value HCV approaches the role of independent certification versus due diligence process and the engagement of smallholders and SMEs Beginning with a market and policy analysis the book fosters a deeper understanding of standards methodologies and auditing techniques Numerous case studies are included from a wide range of contexts including both temperate and tropical forests in developed and developing countries Overall the book analyses all the steps towards forest management and forest products and services certification

Hearings, Reports and Prints of the House Committee on Post Office and Civil Service United States. Congress. House. Committee on Post Office and Civil Service,1966 Place-Keeping Nicola Dempsey,Harry Smith,Mel Burton,2014-03-21 Place Keeping presents the latest research and practice on place keeping that is the long term management of public and private open spaces from around Europe and the rest of the world There has long been a focus in urban landscape planning and urban design on the creation of high quality public spaces or place making This is supported by a growing body of research which shows how high quality public spaces are economically and socially beneficial for local communities and contribute positively to residents quality of life and wellbeing However while large amounts of capital are spent on the creation of open spaces little thought is given to and insufficient resources made available for the long term maintenance and management of public spaces or place keeping Without place keeping public spaces can fall into a downward spiral of disrepair where anti social behaviour can emerge and residents may feel unsafe and choose to use other spaces The economic and social costs of restoring such spaces can therefore be considerable where place keeping does not occur Place Keeping also provides an accessible presentation of the outputs of a major European Union funded project MP4 Making Places Profitable Public and Private Open Spaces which further extends the knowledge and debate on long term management of public and private spaces It will be an invaluable resource for students academics and practitioners seeking critical but practical guidance on the long term management of public and private spaces in a range of contexts
