Blackwell's new, 300-page, hardcover book, *The Economics of the World's Major Religions*, edited by John C. Hargrave, is a comprehensive, up-to-date, and accessible survey of the economic impact of the world's major religions. The book is divided into two parts: the first part, "The Economics of the World's Major Religions," and the second part, "The Economics of the World's Major Religions: A Survey." The book is a valuable resource for students, scholars, and anyone interested in the intersection of religion and economics.

There are some other factors which extend the validity of your initial findings. The opportunity to see others at work is one.
