Payne, 2013-06-27 After being unceremoniously dumped freshman year because of her family's new money status Ruby Cotton has taken care not to put her heart on the line No matter how enticing Emilie and Quinn make it look relationships are scary and hard while a string of flings is easy and fun That's what Ruby wants Easy and fun The only problem is when it comes to satisfaction in the sack most of the boys at Whitman are nothing but pretty window dressing and false advertising Ruby takes it upon herself to make campus life more fulfilling creating a referral database that allows female students to rate their sexual experiences thereby informing girls of what they're getting into before agreeing to a date When her acting partner Liam Greene finally shows some interest Ruby figures she won't need to utilize the helpful gossip He's handsome fun and most importantly not a guy she'd ever fall for hard enough to let him break her heart Not only that but dating Liam gives Ruby the perfect excuse to say no to Cole Stuart As a star swimmer and heir to honest to God Scottish royalty Cole sits at the top of Whitman's A list but he's also the lowest rated referral on Ruby's website The ratings make rejecting his repeated requests for a date a no brainer but her real reason for avoiding Cole runs deeper than a string of unsatisfied exes He's gorgeous he oozes sweetness and charm and the electricity between them could power half of Whitman but Ruby knows it will only last until his family or friends convince him she's not good enough Before she knows it she's falling anyway waiting for the other shoe to drop but clinging to a tentative hope that Cole might be as different as he seems When the secret behind his low ratings comes to light that hope is torn apart and Ruby wonders if she was right to give him her heart and whether she has the strength to let him keep it **Quite Precarious (A Lowcountry Novella)** Lyla Payne, 2015-12-29 THIS

IS A SHORT COMPANION NOVELLA NOT A FULL LENGTH NOVEL With point of views from Beau Drayton Brick Drayton Lindsay and Leo Boone Amelia Cooper Melanie and William Gayle plus a surprise this novella tells the story of what takes place away from Graciela the night NOT QUITE CLEAR ends **Be My Downfall** Lyla Payne, 2013-09-19 Toby Wright has always prided himself on being one of the most normal guys at Whitman University He loves his parents has a great job lined up after graduation and with the exception of attempting to cross the unbalanced Sebastian Blair sophomore year has kept his nose pretty clean But the rich never have empty closets and memories long stashed away come spilling free when notorious party girl Kennedy Gilbert almost dies in his dorm room Nobody really knows how Kennedy manages to stay in good standing at Whitman she never goes to class doesn't pretend to care about her future and as far as people can tell is

never sober This isn't her first meeting with a stomach pump but it is the first time she's woken up to Toby's concerned brown eyes Despite the fact that she prefers life without friends he gets under her skin with his insistence on playing her guardian angel No one knows better than Toby that people can only be saved if they want to be but the realization that she has no one else draws him back into the shadows of Kennedy's life and eventually into her bed But she long ago came to terms with a truth that Toby refuses to accept she doesn't want to be rescued she only wants to forget Unwilling to give up on her Toby's dragged under by this broken girl and her dark twisted Whitman University he never guessed existed If he struggles to the surface he'll abandon someone he loves for the second time in his life If he doesn't it won't be long until they both drown

[Living the Dream](#) Lyla Payne, 2014-11-25 An unfortunate and embarrassing incident that precipitated Audra Stuart's breakup last winter sent her scurrying for cover unwilling to show her face again at Whitman University When her roommate Blair Paddington tracks her down and learns what happened she convinces Audra that letting her jackass ex win is not the answer but that maybe going to Sebastian Blair for help just might be Sebastian has established a reputation of being the guy without scruples the one who can get you what you want no questions asked For a price His price for Audra Stuart Pretend to be his girlfriend so he can legitimize himself and maybe snag a job from one of his friends before graduation To get her friends and his to buy the ruse the two of them have to get in deep so deep that they forget they're supposed to be pretending Sebastian Blair is about to fall hard but he can't help but worry Because the girl he loves is bound to learn he was behind the incident that sent her tumbling his direction in the first place

Broken at Love Lyla Payne, 2013-03-12 When a knee injury ends twenty year old Quinn Rowland's pro tennis career he's not only dumped by his hot Russian girlfriend but ordered to attend college by his disinterested billionaire father A rich kid who's not used to being disappointed by life Quinn and his sociopathic half brother Sebastian create a frat house game intended to treat girls how they see them as simple game pieces to be manipulated for their pleasure College sophomore Emilie Swanson knows Quinn's reputation after all he did send one of her sorority sisters into therapy earlier in the semester but the game and his charm bring them closer together and soon she starts to believe there's more to Quinn than people think But what if the more is something darker than a game of toying with emotions and breaking hearts Quinn and Emilie might be falling for each other but there are secrets he's not ready to tell and lifestyle changes he's reluctant to make She willingly stepped on the court but if Emilie finds out she started out as nothing as a pawn in Quinn and Sebastian's twisted game she might never forgive him To his surprise Quinn finds that he might finally care about someone more than he cares about himself even if that means letting Emilie walk away for good

A final battle for the survival of Earth is coming Between the alien Others and the destruction of humanity stand four Dissidents When the Prime Other banishes them to the Harvest Site to live the remainder of their time on earth as slaves the Dissidents use the opportunity to learn more about the substance that keeps the Others alive and how they might use it to their advantage But the Others guard their secrets well and the Prime Other has proven his willingness to do whatever s necessary to secure a future for his race no matter what or who is destroyed in the process When Althea and the boys realize their lives could be the key to allowing another planet to suffer the same fate as earth they promise they ll die before they let that happen If they can t figure out how to turn the tables in their favor before the Summer Celebration they might have to do just that The end draws near and there s only one question left are the Dissidents going to save their chosen people or perish alongside them *Buried* Trisha Leigh,2016-01-09 Gypsy and her friends may still be reeling from the information overload after learning more about who they are not to mention the losses they sustained but between the government the Olders and the Siphons they have little time to rest After the Siphons force Pollyanna to commit a horrific crime on live television the Cavies know they have to focus on not only getting her back but by bringing the group of rogues to justice once and for all The deeper they get into the world of experiments and government conspiracies the clearer it is that there s no one to trust but themselves any maybe they can t even trust that anymore With their talents developing their relationships changing and millions of lives hanging in the balance can the Cavies find a way to convince the world that they re more than what s been done to them If they can t they ll be the ones who will spend their lives locked in padded cells and the truth will be buried with them **Gypsy** Trisha Leigh,2014-05-12

Inconsequential not important or significant Synonyms insignificant unimportant nonessential irrelevant In the world of genetic mutation Gypsy s talent of knowing a person s age of death is considered a failure Her peers the other Cavies have powers that range from curdling a blood still in the vein to being able to overhear a conversation taking place three miles away but when they re taken from the sanctuary where they grew up and forced into the real world Gypsy with her all but invisible gift is the one with the advantage The only one who s safe if the world finds out what they can do When the Cavies are attacked and inoculated with an unidentified virus that illusion is shattered Whatever was attached to the virus causes

their abilities to change Grow In some cases to escape their control Gypsy dreamed of normal high school normal friends a normal life for years Instead the Cavies are sucked under a sea of government intrigue weaponized genetic mutation and crushing secrets that will reframe everything they've ever been told about how their talents came to be in the first place When they find out one of their own has been appropriated by the government mistreated and forced to run dangerous missions their desire for information becomes a pressing need With only a series of guesses about their origins the path to the truth becomes quickly littered with friends enemies and in the end the Cavies ability to trust anyone at all *Not Quite Free (A Lowcountry Mystery)* Lyla Payne,2017-01-11 *Staying On Top* Lyla Payne,2013-12-07 Sam Bradford has it all he's the 2 tennis player in the world plenty of girls want to date him and he'll never want for money At least that's what he thought until his accountant stole everything and disappeared Interpol has no idea where to start and neither does the American F B I so Sam figures he'll just have to take care of his body and play a few extra years to make it back When Blair Paddington the accountant's daughter and a friend of a friend at Whitman shows up and claims she can help Sam get his money back he's torn between wanting justice and the very real possibility that Blair is just as big a con man as her father When she promises not only money but justice Sam agrees but only if he can go along on the search The two of them set off on an adventure neither rich kid is prepared for cheap hostels the same clothes three days in a row and nothing but a backpack of possessions so they can fly under the radar as college lovers on a winter break In spite of Blair's shady family her daring and resourceful personality strike Sam's interest and he finds himself falling for the one girl he shouldn't When they finally find her father the truths that come to light not only make Sam question his affection for Blair but could cost him more than money if they can't work together one last time neither of them may be going home Ever **A Royal Wedding (A Piacere Princes Novella, #1)** Lyla Payne,2016-11-18 This in between short novella follows The Playboy Prince It will detail a royal wedding and preview what is to come with the Piacere family in the follow up The Dutiful Prince January 2017 **Not Quite Cold** Lyla Payne,2014-08-07 Graciela Harper thought that getting rid of Anne Bonny's ghost would be the first step toward putting all of the problems of her past behind her Maybe things would work out with Beauregard Drayton Heron Creek's charming mayor Maybe she and her cousin Amelia and their childhood friends Melanie and Will could find a way back to the comfortable friendship that defined their lives But when the ghost of Glinda Davis the town's longtime quirky hairdresser puts a stop to Gracie and Beau's relationship consummation Graciela knows her life has changed for good The insistent ghost drags Graciela into a world she's only seen on reality television shows one filled with moonshiners and backwoods politics that are solved by burying bodies not friendly conversations Graciela needs to figure out exactly what Glinda's spirit requires so she'll get the heck out of dodge but the further she digs into the woman's past the more dangers seep into the present As Graciela gets closer to the answers she seeks she starts to wonder if she's going to solve a murder in the process or die trying *Not Quite Alive (A Lowcountry Mystery)* Lyla Payne,2016-10-11 **Whispers in Autumn**

Trisha Leigh,2012-07-23 In 2015 a race of alien Others conquered Earth They enslaved humanity not by force but through an aggressive mind control that turned people into contented unquestioning robots Except sixteen year old Althea isn't content at all and she doesn't need the mysterious note inside her locket to tell her she's Something Else It also warns her to trust no one so she hides the pieces that make her different even though it means being alone The autumn she meets Lucas everything changes Althea and Lucas are immune to the alien mind control and together they search for the reason why What they uncover is a stunning truth the Others never anticipated one with the potential to free the brainwashed human race It's not who they are that makes them special but what And what they are is a threat One the Others are determined to eliminate for good **Winter Omens** Trisha Leigh,2012-09-25 Althea and Lucas barely escaped the Others' clutches in the autumn and were separated in the process Alone and on the run from the cruel alien race determined to exterminate her Althea struggles to adapt and survive in a world she never imagined When a boy named Pax appears out of nowhere he quickly recognizes Althea for what she is a human Other hybrid just like him Althea begs him to help her find Lucas but Pax refuses intent on following his own mysterious agenda The Others' presence continues to devour the planet's resources and if history is an indication they won't leave until Earth is destroyed beyond repair Althea and Pax sense the only way to save themselves and maybe their home is to understand the powers simmering inside them Together they push the limits of their capabilities in the quiet Wilds but are soon confronted with a terrifying fact no place is safe from the relentless pursuit of the Others Least of all their own minds Betrays in Spring Trisha Leigh,2012-12-11 Althea assumes now that she Pax and Lucas are reunited in spring that the next steps are obvious locate Deshi and prepare to take down the Others once and for all But she doesn't expect the subtle changes in Lucas After being left alone last season with only his Element father for company Lucas has started to question whether their rightful place isn't with the strange alien race as opposed to humanity When an emergency forces Lucas to aid the Others so they can remain on Earth Althea worries that she's lost him once and for all The one thing she knows is that Deshi's the key to any hope of reclaiming the planet So as the Others gut their already wobbly support system Althea and Pax gather together the beginnings of a plan and maybe an army Even if she can convince Lucas their side is the right one the Prime Other holds Deshi captive and shrouds any knowledge about their fourth in clouds of secrecy What they discover deep underground is a roadblock they didn't expect and one that could steal their last hope of saving humanity **Quite Dubious (A Lowcountry Novella)** Lyla Payne,2017-06-06
