Chasing Hepburn Gus Lee, 2011-07-27 Chasing Hepburn is the story of the Lee family a saga spanning four generations two continents and a century and a half of Chinese history In the masterful hands of acclaimed author Gus Lee his ancestors stories spring vividly to life in a memoir with all the richness of great fiction From the time of her birth in 1906 it was expected that Gus Lee s mother Tzu Da tsien would become an elegant bride for a wealthy provincial man But she was shunted onto a less certain path by age three when her warmhearted father rescued her from her foot binding ceremony in response to her terrified screams This dramatic rejection of tradition was the first of many clashes that would lock the family in a constant struggle between Chinese customs and modern ways Later with the Chinese countryside in the grip of civil war the Tzu family moved to Shanghai seeking financial stability There Da tsien met Lee Zee Zee the dashing son of the Tzus landlord who lived across the street With their patriarch succumbing to opium addiction Zee Zee s family was on the brink of ruin and Da tsien s mother was working hard to secure her big footed daughter s marriage to a wealthy older man But not even the protests of both families could keep the lovers apart and these two socially displaced clans were reluctantly united Over the course of their courtship and marriage Zee Zee and Da tsien would encounter the most important movements and figures of the times including underworld gangsters Communist students and workers revolutionary armies Christian missionaries and legions of invading Japanese soldiers Zee Zee became an ardent anti Maoist and an ally of the highest ranking leaders in the Chinese Nationalist movement But his flights from tradition took him away from his young family first into Chiang Kai shek s air force and later to America in search of his idol Katharine Hepburn Faced with this abandonment and with the chaos of the Japanese occupation Da tsien would rely on all of her resources traditional and modern faith superstition tremendous courage and her strong feet in an attempt to preserve her family Gus Lee takes us straight into the heart of twentieth century Chinese society offering a clear eyed yet compassionate view of the forces that repeatedly tore apart and reconfigured the lives of his parents and their contemporaries He moves deftly from recounting intimate household

conversations to discussing major historical events and the resulting story is by turns comic harrowing heroic and tragic For most of her life Da tsien prayed for a son who would honor his family and respect his Chinese heritage In this enthralling tribute Gus Lee lovingly accomplishes both **Youth's Companion** ,1899 **Eisenhower Volume II** Stephen E. of World War II's greatest battlefield commanders. His brilliantly fought battles were masterpieces of tactical agility, mobile counterattack, and the technique of *Auftragstaktik* or mission command. However, because he declined to participate in the U.S. Army's military history debriefing program, today he is known only to serious students of the war. Drawing heavily on his meticulously kept wartime journals, Balck discusses his childhood and his career through the First and Second World Wars. His memoir details the command decision-making process as well as operations on the ground during crucial battles, including the Battle of the Marne in World War I and his incredible victories against a larger and better equipped Soviet army at the Chir River in World War II. Balck also offers observations on Germany's greatest generals such as Erich Ludendorff and Heinz Guderian and shares his thoughts on international relations, domestic politics, and Germany's place in history. Available in English for the first time in an expertly edited and annotated edition, this important book provides essential information about the German military during a critical era in modern history. *New York Magazine*, 1985-10-07
