Los Angeles Lawyer, 2005 **Corporate Governance and Whistleblowing** Moeen Umar Cheema, Rahat Munir, Sophia Su, 2021-05-03 Whistleblowing is often about disclosing wrongdoings by members of organisations to persons or organisations that may be able to effect action Media would at times publish stories of whistleblowers who engage in heroic

acts of exposing wrongdoings at work but the whistleblowers often face significant negative consequences of their whistleblowing efforts This book examines effects of national and organisational cultures on the whistleblowing decisions of employees The book provides empirical evidence of association between organisational culture and whistleblowing and there appears to be a lower likelihood of whistleblowing in organisations that focus more on the cultural dimensions of respect for people innovation and stability It also illustrates how remaining silent or blowing the whistle in response to observed wrongdoings affects employees key work related attitudes This book would interest those wish to gain better understanding of the relationship between culture and whistleblowing in organisations *Portfolio of Black Business in Southern Africa* ,2006 **ABA Journal** ,1994-03 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association
