Bennett-Baker, 2019-02-25 The deaths of the Moretti s were so imprinted on Arabella s heart that all she ever wanted to do was honor their memory particularly Maria s and the high school prom she never got to attend At twenty six Arabella did not have a typical family dynamic nor a way to change the past But she did have an inherited family restaurant and a promise to God A pledge to purity No sooner has she settled into the planning and preparations of Rock Haven s annual formal event held in her family s restaurant Arabella receives an unexpected visit from a blue eyed traveler making his way to a small town in Iowa The encounter draws Arabella s emotions into his intrigue and charm And charm he does Now confronted with her grappling emotions Arabella must choose which is more important to her the promise she made to God Her family s business Or the stranger that has managed to captivate her heart Forever Sharon Donovan, 2024-11-21 Forever Love between two people is one of life s most desired gifts to be treasured for all times a precious treasure that endures without end unchangeable and unstoppable Love gives no less than everything and gives all with no reserve no regrets You don t choose love love chooses you And when you are chosen you are chosen forever Love is a powerful force that pulls at your heart and with gladness and willingness you surrender everything a sweet loving and unconditional devotion to each other Love goes beyond your soul It is deep within your spirit and it never weakens or fades It is forever True genuine love is from the heart and is desired by all We all need and want love It is part of our creation and survival Love is like a precious stone a precious gem pure brilliant beautiful enduring and cherished forever Have you ever thought about the word forever What exactly does it mean Has anyone ever defined the word or even tried Just thinking about the word forever is mind boggling It is not time and it cannot be measured You cannot explain or describe it So what is this mysterious word You hear people say it everywhere you go People talk about it write about it and even sing about it People have created fragrances and scents in the name of love Have you ever thought about the word love That s another mysterious word you hear People say I love you all the time People write books about it sing about it and make movies about it but can you describe it The Bible says God is love So true love is forever because God is forever It also says what everyone desires is unfailing love But describing love is a different story The Bible describes love in the scriptures God loves each and every one of us and nothing can separate us from His love it is unconditional unchangeable and forever God loves us more than we could ever imagine So what is forever love Some say Puppy love Others say True love and still others say Infatuation But what exactly is love between two people What is the attraction What is the spark that triggers the chemistry When you truly love someone you would never intentionally hurt that person You care for them deeply and want the best for them You want all their dreams to come true and their life to be complete and content full of peace and happiness and love most of all love The difference between loving someone and being in love is all those things in addition to passion or romantic love You love your children your parents and

your family But being in love with someone you have that special unexplainable passion or romantic love You can give without loving or being in love but if you truly love you cannot help but give This is a story about a girl and a boy who fell in love when they were fifteen years old It was sweet fifteen They were very much in love but would it last Was it really love Was it that unconditional unchangeable unstoppable love from the heart Was it true love or were they just passionately infatuated with each other Daniel and Kristin made a pact They held their hands up pressed firmly together palm to palm and fingers to fingers and said together Forever
