Geography 2013 November Exemplar:

Four Exemplars of Ru (Confucianism) Paul J. D'Ambrosio, Geir Sigurðsson, Dimitra Amarantidou, Hans-Georg Moeller, 2025-08-15 This book discusses scholars who have all engaged in comparative philosophy projects many of whom first rose to fame because of their penetrating insights into the similarities and differences in Western and Chinese thought They all went beyond simply looking at how one thinker one school or one tradition relates to another each draws on sources from China and the West However their projects from role ethics to concrete metaphysics from critiquing individualism to balancing harmony and justice are attempts at re evaluating the way we view the world and live our lives These projects are systematic thorough and comprehensive descriptions of ourselves the world and our interactions with others They are all comparative but on top of this they also aim at making a point that transcends their comparisons The book thus shows that these great thinkers draw on a multiplicity of resources and while they might find some ideas closer to home than others comparison is a necessary constant Using traditional Confucian vocabulary this type of philosophizing is described as practicing xue normally understood as studying or learning But it also means to copy imitate model or emulate In the process of xue one imitates but with a nod to differences This book honors four models of such an attitude to xue In its examination of some of the most influential scholars in Chinese thought this is a seminal book for scholars and students in Chinese and comparative philosophy

Plutocracy in America Ronald P. Formisano, 2015-09-15 This data driven book offers insight into the fallacy of widespread opportunity the fate of the middle class and the mechanisms that perpetuate income disparity

Postcolonial Justice Anke Bartels, Lars Eckstein, Nicole Waller, Dirk Wiemann, 2017-02-13 *Postcolonial Justice* addresses a major issue in current

postcolonial theory and beyond namely the question of how to reconcile an ethics grounded in the reciprocal acknowledgment of diversity and difference with the normative if not universal thrust that appears to energize any notion of justice The concept of postcolonial justice shared by the essays in this volume carries an unwavering commitment to difference within and beyond Europe while equally rejecting radical cultural essentialisms which refuse to engage in utopian ideals of convivial exchange across a plurality of subject positions Such utopian ideals can no longer claim universal validity as in the tradition of the European enlightenment instead they are bound to local frames of speaking from which they project world

Money and Finance After the Crisis Brett Christophers, Andrew Leyshon, Geoff Mann, 2017-09-05 Money and Finance After the Crisis provides a critical multi disciplinary perspective on the post crisis financial world in all its complexity dynamism and unpredictability Contributions illuminate the diversity of ways in which money and finance continue to shape global political economy and society A multidisciplinary collection of essays that study the geographies of money and finance that have unfolded in the wake of the financial crisis Contributions discuss a wide range of contemporary social formations including the complexities of modern debt driven financial markets Chapters critically explore proliferating forms and spaces of financial power from the realms of orthodox finance capital to biodiversity conservation Contributions demonstrate the centrality of money and finance to contemporary capitalism and its political and cultural economies

Putin's Wars Marcel H. Van Herpen, 2015-07-01 This fully updated book offers the first systematic analysis of Putin s three wars placing the Second Chechen War the war with Georgia of 2008 and the war with Ukraine of 2014 2015 in their broader historical context Drawing on extensive original Russian sources Marcel H Van Herpen analyzes in detail how Putin s wars were prepared and conducted and why they led to allegations of war crimes and genocide He shows how the conflicts functioned to consolidate and legitimate Putin s regime and explores how they were connected to a fourth hidden internal war waged by the Kremlin against the opposition The author convincingly argues that the Kremlin relying on the secret services the Orthodox Church the Kremlin youth Nashi and the rehabilitated Cossacks is preparing for an imperial revival most recently in the form of a Eurasian Union An essential book for understanding the dynamics of Putin s regime this study digs deep into the Kremlin s secret long term strategies Readable and clearly argued it makes a compelling case that Putin s regime emulates an established Russian paradigm in which empire building and despotic rule are mutually reinforcing As the first comprehensive exploration of the historical antecedents and political continuity of the Kremlin s contemporary policies Van Herpen s work will make a valuable contribution to the literature on post Soviet Russia and his arguments will stimulate a fascinating and vigorous debate

Collecting Activism, Archiving Occupy Wall Street Kylie Message, 2019-09-10 Collecting Activism Archiving Occupy Wall Street explores the material collections produced by participants of Occupy Wall Street in 2011 that bear witness to the experience and agency of the 99% Examining processes of collection development as a lens through which to investigate the sociology of protest and reform movements the book questions what contribution a dual study of the

material culture of dissent and the production of a collection hosting the material culture of dissent might offer to a range of disciplines and practices It asks if and how a collections based study can test the propositions tactics and limits of activism from archival museological and political perspectives Collecting Activism Archiving Occupy Wall Street draws from interdisciplinary fields including museum studies collection studies archive studies cultural studies and public history It will be a valuable resource for scholars and practitioners engaged with contemporary cause based collecting activist archiving public history and the cultural politics and sociology of social reform movements It models strategies for activating historical archives and collections based data and for engaging with autoethnographic records to represent and analyze the material residue of protest and reform movements today

UAE Melodena Stephens,Immanuel Azaad Moonesar,Raed Awamleh,Rhys Rowland-Jones,2017-06-16 This book can be used to teach public policy and help international industry leaders and academics understand the context of UAE and the role it plays in the global arena This project is a series by the Academy of International Business MENA chapter supported by the Mohammed Bin Rashid School of Government Dubai *Accomplishing Climate Governance* Harriet Bulkeley,2015-09-25 This book provides a new approach to thinking about the politics and geographies of climate governance It argues that in order to understand the nature and potential of the range of new responses to climate change emerging at multiple scales we need to examine how governance is accomplished how it is undertaken practised and contested Through a range of case studies drawn from communities corporations and local government the book examines how climate change comes to be governed and made to matter as an issue with which diverse publics should be concerned It concludes that rather than seeking the solution to climate change once and for all we need to engage with the ways in which we can channel our intentions to ameliorate the climate problem to more progressive ends The book will be of interest to researchers advanced students and policy makers across the social sciences Burying Mussolini Paolo Heywood,2024-12-15 Burying Mussolini addresses the global resurgence in authoritarian and nationalist populism and its connection with valorizations of ordinary life Predappio is the birthplace and burial site of Benito Mussolini and Italy s premier neo fascist tourist site with hundreds of thousands of fascist sympathizers descending on the town annually But Paolo Heywood asks what of the people who actually live there What does ordinary life look like in the shadow of Mussolini s grave As politicians commentators and social scientists seek to understand what lies behind new forms of political authoritarianism and whether and how they resemble movements once thought consigned to the past Burying Mussolini narrates how people in Predappio cope with the dark heritage of their home by carefully crafting a sense of ordinariness that is itself inflected by ghosts of their fascist past

Speculative Futures Johanna Hoffman, 2022-10-04 How the emerging field of speculative futures can help us dream and build better sustainable and more equitable cities for everyone Speculative futures design approaches that help us visualize new and potential worlds move us beyond what currently exists into what could one day be Inspired by art film fiction and industrial design they use speculation to provoke imagine and dream into what lies ahead Written for futurists urbanists and artists looking to enact city wide transformation and for readers at the intersection of disruption design innovation and city living this book offers creative paths toward urban resilience using design tools that already exist Artist and urbanist Johanna Hoffman uses an interdisciplinary lens informed by her experience in architecture art engineering and construction to examine how we can reimagine our cities at every level as individuals in community and on a professional scale Hoffman blends precedent studies compelling research and professional memoir connecting urban development issues with the processes and actions best positioned to create better solutions for our cities The result is a dynamic field guide that uses speculative futures to imagine advocate for and adapt to modern scales scopes and speeds of change While this book is of great utility to professionals in the urban design and planning industries it s also for people who resist received capitalistic technocratic ways of thinking readers who seek new solutions to old problems with anti colonial living systems oriented lenses

Bulletproof Fashion Barbara Sutton, 2023-05-23 In the context of gun proliferation and persistent gun violence in the United States a controversial security strategy has gained public attention bulletproof fashion This book examines concerns about security focusing on armored clothing and accessories for civilians Available for children and adults such ballistic products include colorful backpacks elegant suits sports jackets feminine dresses trendy vests and medical lab coats These products are paradigmatic of a fashion of fear the practice of outfitting the body with apparel aimed at maximizing personal security This fashion encourages the emergence of both a fortress body and an armored society Sutton also explores the wider social factors influencing the bulletproof fashion phenomenon including the inequalities associated with neoliberalism and the militarization of civilian life The book sheds light on the role of emotions in relation to discourses and perceptions of security and encourages feminist and sociological studies to pay attention to the linkages between security bodies and dress It is ideal for students and scholars interested in security and gun violence culture and politics

Too Close to Ignore Mark Moran, Jodie Curth-Bibb, 2020-03-31 Less than five kilometres from Australia s most northern islands in the Torres Strait lies the southern coast of Papua New Guinea PNG The people living on the PNG side of the border along the South Fly coast live in abject poverty with a near total absence of services and infrastructure The disparity in income housing and health outcomes when compared with their nearby neighbours and relatives in the Torres Strait Islands is extreme The border is the focus of a range of interventions by the Australian and Queensland governments including border protection quarantine marine resource management and infectious disease control including an alarming outbreak of multi drug resistant tuberculosis Restrictions are increasing on

trading fishing and access to Australian services However questions remain as to whether this focus is having unintended consequences increasing the destitution and frustration on the PNG side in turn exacerbating the security threat to Australia And as the Australian border hardens the Indonesian border beckons This book presents the results of three years of research into the unique social and political geography of the borderland The Torres Strait Treaty between Australia and PNG serves to construct a complex institutional layering a tiered economy and a hierarchy of identities between those South Fly villagers who have rights under the Treaty to travel into Australia and those who do not This creates a politics of expectation and frustration that permeates everyday life along the South Fly coast through which development projects must navigate

Time Travelers Adelene Buckland, Sadiya Qureshi, 2020-05-11 The Victorians perhaps more than any Britons before them were diggers and sifters of the past Though they were not the first to be fascinated by history the intensity and range of their preoccupations with the past were unprecedented and of lasting importance The Victorians paved the way for our modern disciplines discovered the primeval monsters we now call the dinosaurs and built many of Britain's most important national museums and galleries To a large degree they created the perceptual frameworks through which we continue to understand the past Out of their discoveries new histories emerged giving rise to fresh debates while seemingly well known histories were thrown into confusion by novel tools and methods of scrutiny If in the eighteenth century the study of the past had been the province of a handful of elites new technologies and economic development in the nineteenth century meant that the past in all its brilliant detail was for the first time the property of the many not the few

Time Travelers is a book about the myriad ways in which Victorians approached the past offering a vivid picture of the Victorian world and its historical obsessions

Creating Smart Cities Claudio Coletta, Leighton Evans, Liam Heaphy, Rob Kitchin, 2018-10-26 In cities around the world digital technologies are utilized to manage city services and infrastructures to govern urban life to solve urban issues and to drive local and regional economies While smart city advocates are keen to promote the benefits of smart urbanism increased efficiency sustainability resilience competitiveness safety and security critics point to the negative effects such as the production of technocratic governance the corporatization of urban services technological lock ins privacy harms and vulnerability to cyberattack This book through a range of international case studies suggests social political and practical interventions that would enable more equitable and just smart cities reaping the benefits of smart city initiatives while minimizing some of their perils Included are case studies from Ireland the United States of America Colombia the Netherlands Singapore India and the United Kingdom These chapters discuss a range of issues including political economy citizenship standards testbedding urban regeneration ethics surveillance privacy and cybersecurity This book will be of interest to urban policymakers as well as researchers in Regional Studies and Urban Planning

The Spectral Within Elena Miltiadis, 2025-10-01 Latina was founded in 1932 by the Fascist Regime and is often described by its inhabitants through its absences as a place where there is nothing The book examines the role of absence in place making and delves

into the lived experience of Latina Through the analytical lens of haunting this work explores its inhabitants efforts to see their city as a meaningful social space as they navigate the city s multiple histories and the absent presence of the contested past
