

REPRESENTATIVE GEORGE MORRISON TAYLOR

Republican, El Paso County

REPRESENTATIVE TAYLOR came to Colorado from Pennsylvania twenty-three years ago, and went into the Cripple Creek District when Stratton's famous Independence mine was only a 10-foot prospect hole. He worked in the first mill built in that district. He has leased on probably half the properties in that gold camp and has worked indefatigably to reduce the cost of gold extraction from Cripple Creek ores. He was prominent in the early experiments with both the chlorination and cyaniding processes, and as General Manager of the Portland Mills at Colorado Springs for the last ten years built two plants of that big institution which American, Japanese, and Russian milling experts have pronounced the most modern of any in the United States. Mr. Taylor is the first and only member from this country of the Council of the Chemical, Metallurgical and Mining Society of South Africa. He also is an associate member of the London Institute of Mining and Metallurgy. His hobby is the treatment of low-grade ores, and he believes that Colorado's future prosperity and the growth of all other Colorado industries will depend largely on the successful solution of the low-grade treatment problem. Mr. Taylor was born in North Liberty, Mercer County, Pennsylvania, August 19, 1865. He was graduated from the Central High School, Philadelphia, in 1883, and from the University of Pennsylvania four years later. He was Assistant Cashier of the Camden and Atlantic Railroad, and served as Cashier of the State of Pennsylvania from 1893 to 1895. He is Chairman of the House Committees on Temperance, and Rules. He has been Esteemed Leading Knight of the Elks Lodge at Colorado Springs.
