through the years and has inspired two opposing viewpoints to the thought of e Let Go Of The Cookiese First I considered the viewpoint of the person whose hand is stuck in the cookie jar Some situations we are in are because we will not let go of the nouns that are preventing us from being released We find ourselves stuck in frustrating predicaments and get upset when we can t figure a way out Then I thought from the viewpoint of the cookie jar It has tasteful cookies placed inside of it that need to be released into the life of the person who is reaching for a snack to hold them until they can get a full course meal This book is written to serve as that snack to empower build strengthen inspire and bridge the gap to better ministries families communities friendships relationships fellowship and your self worth in a holistic way Ponder these tasteful tidbits as you examine the cookies in your life even discuss them amongst your peers or in a group study session We all have some cookies in our lives whether good or bad that need to be released so what cookies are you holding on too e
