Girls Guide To Sissy:

A Woman's Guide To... Gwendoline Summers, Florence Grant, Maggie Joyce, Forrest Grant, 2022-04-06 Gwendoline Summers has a special style of writing to women about some of the unique options available to them She knows what it is like to baby her husband Her first book is a guide to other women seeking to take their partner in hand and make them the baby they both need him to be This is not an enforced babying guide but rather one to help women who already KNOW that their partners need the security of nappies a dummy and a babyish lifestyle to achieve that goal The second book covers the subject in a more extensive way about making your partner into a Sissy Baby a baby girl And the third book brings up an interesting question is potty training a thing of the past and is it time to reject it both for your partner and yourself This book is not just for women with AB partners but for ALL women whether their partners are AB or not She takes it step by step in how to slowly get your partner into nappies and other baby items If your partner is AB then you are already partway there but if they are non AB this book is still for you It is a guidebook along a journey of letting our men express the infancy inside that is so often just beneath the surface *Girls' Guide to Aging with Grit and Gusto* Linda Benjamin, 2021-11-11 What s a girl to do if she s dumped by her husband in her 60 s How about writing a book documenting her journey and collecting role models of inspirational women from their 60 s through their 90 s The humorous yet educational memoir of a therapist s journey and the experiences of her inspiring interviewees women who ve been through grief depression caregiving widowhood retirement empty nesting and physical challenges *Girls Guide to Aging with Grit and Gusto* is a roadmap for women who want to thrive whatever their age or circumstances as they grow older The Country Girl's Guide to Hexes and Haints Mer Whinery, 2022-12-09 Twelve year old Hayder Hennessey wants to be a good son for his struggling mother and have a new start at a normal life especially after the deaths of his father and baby sister But when his mother moves them from Dallas to the small town of Black Knot Oklahoma Hayder figures out pretty fast things are a little bit different here A little bit off Enter Cora Corbucci Hayder s new next door neighbor The sole survivor of a grisly mass murder Cora has been seeing and hearing a lot of unsettling things lately Soon Hayder begins to see and hear things too unreal things that can t be disbelieved Meanwhile the citizens of the Knot drift through their lives blissfully unaware of the slow poisoning of their souls Of their blood Hayder and Cora join forces with Juston Matheson the town sheriff to unearth the source of these horrors exhuming dreadful secrets about their hometown better off having stayed forgotten An ancient family of witches the Fulcis seek to open a door into another realm a door hidden away in the dark forests and hollers around Black Knot allowing the awakening of a sleeping horror who seeks to bring about hell on earth Only the gang learns these witches may not be the only evil they must face to survive For in the town of Black Knot where every day feels like Halloween of eternal twilight Hayder and his friends are about to go to war The low down greasy tone of the narration will appeal to bizarro and hardcore horror fans For those readers there s plenty to love Publishers Weekly **Girls Guide to Taking Over the World** Tristan

Brave Sissy Goff, 2021-02-02 As a parent you can use certain strategies to help your teenage daughter when she struggles with worry and anxiety. But it is also important that she learns how to work through her emotions on her own, especially as she approaches adulthood. This guide created for girls ages 13 to 18 will help your daughter understand anxiety's roots and why her brain is often working against her when she starts to worry. With teen-friendly information, stories, and self-discovery exercises including journaling and drawing prompts, she will learn practical ways to fight back when worries come up. She will find more of her voice and her confidence. In essence, she will find more of herself and the brave, strong, deeply loved girl God made her to be. **Raising Worry-Free Girls** Sissy Goff, 2019-09-17 You Can Help Your Daughter Overcome Anxiety

and Worry. It's surprising to find a girl who doesn't struggle with anxiety and worry, either in short episodes or for longer periods. For a variety of reasons, childhood anxiety rates are soaring, especially among girls. Today's parents need to know what contributes to anxiety and worry and how they can empower their daughters to overcome fears and live more courageously. In this immensely practical book, veteran counselor Sissy Goff shares how you can instill bravery and strength in your daughter. Addressing common age-specific issues, Goff gives you the tools to help you and your child understand why her brain is often working against her when she starts to worry, learn how she can fight back by helping her body, mind, and heart find the anchoring truth of God's strong, safe love for her and the confidence she needs to thrive. *A Woman's Guide To Babying Her Partner* Gwendoline Summers, 2024-01-26 Gwendoline Summers knows what it is like to baby her husband. Her first book is a guide to other women seeking to take their partner in hand and make them the baby they both need him to be. This is not an enforced babying guide but rather one to help women who already KNOW that their partners need the security of nappies, a dummy, and a babyish lifestyle to achieve that goal. This book is not just for women with AB partners but for ALL women, whether their partners are AB or not. She takes it step by step on how to slowly get your partner into nappies and other baby items. If your partner is AB, then you are already part way there, but if they are non-AB, this book is still for you. It is a guidebook along a journey of letting our men express the infancy inside that is so often just beneath the surface.
