

GENERAL INFORMATION

INTRODUCTION

The purpose of this manual is to assist the operator in maintaining and operating a HESSTON machine. Read it carefully; it furnishes information and instructions that will help you achieve years of dependable performance. These operating and maintenance instructions have been compiled from extensive field experience and engineering data. Some information may be general in nature due to unknown and varying conditions. However, through experience and these instructions, the operator should be able to develop operating procedures suitable to his particular situation.

"Right" and "Left" as used throughout this manual is determined by facing the direction the machine will travel when in use.

The photos, illustrations and data used in this manual were current at the time of printing, but due to possible inline production changes, your machine may vary slightly in detail. The Manufacturer reserves the right to redesign and change the machine as may be necessary without notification.

⚠ WARNING: Some pictures in this manual show the machine with safety shields removed to allow for a better view of the subject of the picture. The machine should never be operated with any of the safety shields removed.

WARRANTY REGISTRATION

The Delivery and Warranty Registration forms found in the front of this manual must be filled out and signed to validate your warranty protection. The items on the form under "I HEREBY ACKNOWLEDGE" should be read and understood. The terms and conditions of the warranty on this machine are specified on the page previous to the warranty registration forms.

SERIAL NUMBER LOCATION

The serial number is important information about the machine, and it may be necessary to know it before obtaining the correct replacement part. The serial number plate is located on the right side of the baling chamber as shown in figure 1. The serial number should be recorded on the Delivery and Warranty Registration form in the front of the Operator's Manual that is delivered with the new machine.
