Charlotte's Wedding Leah Mae Wright, 2023-01-29 Former DEA agent Michael Ian Campbell struggled with civilian life after leaving the agency when his wife Mari was killed after blowing his cover with the Rodriguez Cartel He d gone in with the alias of Michael Smith trying to get the intel needed to bring down the infamous drug ring He d worked his way up to only a couple of levels down from the ringleader Roberto Rojo Rodriguez when Mari posted a picture of him with their son Brody on social media identifying him as her husband He barely made it out alive the day he and his family were ambushed in a drive by ordered by Rojo to take him out With his cover blown and Brody now motherless he retired from the DEA and scrubbed all records of Michael Campbell from existence so he could safely raise his son with the help of his sister Cait As a parting gift the agency created a new identity for him using only his middle and last name In exchange for the anonymity Ian used his new job as a high school English teacher to funnel information back to his former partner on the lower level drug dealers in and around the San Diego schools Until the day he got word that Rojo Rodriguez had escaped when the rest of the major players in his cartel were captured in a raid in South Texas that is With limited resources keeping the DEA and local law enforcement from having someone in Heart s Destiny Texas actively looking for the cartel kingpin Ian moved there with his family to capture the man responsible for his wife s death Charlotte Burleson didn t know the new English teacher she had to work with was actually a friend of her brother Jake and a former undercover DEA agent She only knew him as a one night stand she thought she d never see again and the most infuriating man she d ever met After the most intense sexual experience of her life Charlotte woke up to an empty bed with no information on how to contact the mysterious Ian for another round Two weeks later he showed up at her family s late Christmas celebration and acted as if they d never met He continued the charade of not knowing her when he started working in the classroom next door to hers at

the beginning of January Ian wasn't sure how to deal with finding out the hot as hell one night stand he had on the night he interviewed for his new job was with the sister of a man he'd worked with on a joint task force a few years back and considered a friend. He had to keep his cover and not let on to anyone in town that he knew Jake Burleson before moving there. Not to mention the fact that he couldn't tell his friend Jake that he'd slept with his sister. So when the owner of the bed and breakfast where he and his family were staying until their rental was available for them to move insisted on taking them to a late Christmas celebration Ian pretended he'd never met Jake or Charlotte. When he started work and realized he was supposed to coordinate the seventh grade lesson plans with her Ian couldn't resist pushing her buttons to get a glimpse of the fiery passion he'd seen on their one night together. But even as hot as his time with Charlotte was he couldn't risk getting burned if Rojo Rodriguez caught wind of his presence in town and went after her the way he had Mari. As danger loomed the couple fought their instant attraction and growing connection not realizing that standing together was the only way they could win in the end.

[From the Sidelines to the Headlines](#) Betsy Gerhardt Pasley, 2023-03-07 In spring 2014 Peggy Kokernot Kaplan a former Trinity University athlete and cofounder of the women's track team emailed her alma mater's athletic department asking the school to post statistics from the team's 1975 season. It's no surprise that they couldn't fulfill her request for Trinity had sparse records from the 1970s not just for track and field but for most performances by female athletes before 1991 when the school joined a NCAA Division III conference. What started as a humble email request nearly a decade ago has culminated in [From the Sidelines to the Headlines: The Legacy of Women's Sports at Trinity University](#) an expansive book aimed at filling in the gaps in coverage of half a century of women's intercollegiate sports. Former Trinity athlete Betsy Gerhardt Pasley and historian Doug Brackenridge along with other members of the Trinity community have collected hundreds of long forgotten documents and conducted dozens of interviews with former students coaches and administrators to tell the fascinating multifaceted story of women's sports at this liberal arts school in San Antonio Texas. While the book focuses primarily on the post Title IX years between 1972 and 1999 its scope extends to Trinity's founding in 1869 illuminating the century long evolution of women in competitive sports at Trinity and elsewhere before Title IX. The story told alongside the cultural shifts that formed the social and athletic context for female athletes of the day also documents the decision Trinity and other institutions of higher learning faced after Title IX. Should they adhere to a commercial model in which a focus on athletics often overshadowed academics or strive for a more balanced student athlete nonscholarship model Trinity chose the latter and has decades of national championships and academic accolades to show for it.
