God and the Gay Christian Matthew Vines, 2014-04-22 The landmark book exploring what the Bible actually says and doesn't say about same sex relationships Revised and expanded ebook coming May 6 This book is a game changer Every page is brought to life by the author's clear love for Scripture and deep persistent faith Matthew Vines emerges as one of my generation's most important Christian leaders Rachel Held Evans As a young Christian man Matthew Vines harbored the same basic hopes of many young people to one day share his life with someone to build a family of his own to give and receive love But when Vines realized he was gay those hopes were called into question The Bible he'd been taught condemned gay relationships Feeling the tension between his understanding of the Bible and the reality of his same sex orientation Vines devoted years to intensive research into what the Bible says about homosexuality He asked questions such as What was the real sin of Sodom What did Paul have in mind when he wrote about same sex relations Is mandatory celibacy biblical Can same sex marriage fulfill Scripture's vision for marriage Accessibly written and carefully argued *God and the Gay Christian* shows readers how affirming same sex relationships can go hand in hand with maintaining moral boundaries and upholding an orthodox Christian faith

Sam Allberry, 2013-07-01 A practical and sensitive exploration of the Bible's teaching on homosexuality A practical and sensitive exploration of the Bible's teaching on homosexuality It's the hot topic of the moment Christians the church and the Bible seem to be out of step with modern attitudes towards homosexuality And there is growing hostility towards those who hold a different view to the culture's So is God homophobic And how do we relate to both Christians and non Christians who experience same sex attraction In this short simple book Sam Allberry wants to help confused Christians understand what God has said about these questions in the scriptures Drawing on his own experience he offers a positive and liberating way forward through the debate This revised and updated version includes answers to some new questions including Should Christians attend gay weddings Isn't the Christian view of sexuality dangerous and harmful Is it sinful to experience same sex attraction

God's Works Revealed Albano, Sam, 2022 *God's Works Revealed* presents a compelling challenging and joyful vision for living as a lesbian gay or bisexual Catholic today by accepting the divine gift of our sexuality and seeking to live the promises of our baptism It draws from the deep well of traditional theology Catholic teaching and Sacred Scripture while also challenging assumptions that

exclude LGB Catholics from the possibility of sexual expression married life and participation in the life of the Church Informed by theology and formed by the worship of the Church Albano engages in serious study and draws on some of the best thought on scripture and natural law theology that has formed his Church's teaching on homosexuality and homosexual actions He presents not so much a dismissal of what the Church teaches as a critical engagement with that teaching that will point out its insufficiencies and calls for further refinement and reflection He insists that his experience and that of other gay and lesbian Catholics be taken seriously from the foreword After more than fifty years of ministry on behalf of LGBT Catholics I have seen considerable developments in Christian understandings about sexuality and gender which are challenging topics for politicians and Catholics alike Written from the heart of a faith filled Catholic gay man who is not a politician these pages push sexual politics aside and speak to our heads and hearts in a sensible and compelling way We'll see with new eyes the gifts that persons of various sexual orientations bring to the Church I recommend this book for all the people of God who are walking the path of synodality with Pope Francis Jeannine Gramick SL author and cofounder of New Ways Ministry for LGBT Catholics God's Works Revealed offers a respectful well argued critique of official teachings on homosexuality and the impact on the physical and spiritual lives of LGBTQI people It is a deeply loving thoughtful and ultimately hopeful dialogue between a gay Catholic and the Church that could open pathways to needed change Here you will find truths that speak to your soul Marianne Duddy Burke executive director of DignityUSA

Homosexuality, the Bible, the Truth Wayne Gray, 2012-10-31 God is not the author of hate nor is He the author of ignorance His love truly lived brings peace His wisdom generates knowledge of truth and His grace leads us to end our bigotries and embrace unity in His name Let wars end let hatreds end let ignorance end May Gods truth set us free This book is about the truth The big business purveyors of bigotry who make money keeping us divided against one another will do everything they can to destroy this book I prayerfully ask you to read it and spread the truth The Bible does NOT condemn homosexuality and the anti homosexual lie invented by man has brought enough pain It must end **Johni's Journal: One Person's Truth About God's Gay Children** Patricia Johni Patton, 2014-03-20 This is a true story in as much as one person s truth can be I m not a self proclaimed activist or a professional writer I m just a person who struggles through life trying to make good decisions while attempting not to hurt anyone in the process Prior to starting this journal I communicated with a Christian broadcasting host who promoted pervasive Christian fundamentalist theology forbidding homosexuality I used excerpts from many of our original emails which included short comprehensive essays about the Scripture passages that appear to discuss same gender sexual behavior and alternated chapters between the past and the present Over the course of time our opinions were expressed in ever increasing frankness and patterns of stubborn refusal to yield to the others point of view giving testament to the battle that rages on in our communities regarding the issue of homosexuality This journal is a chronological description of historical facts painful moments and surprising revelations of my life as a gay Christian including the admission that God spoke directly to me many years ago I portray the events from a uniquely personal perspective by expressing my commitment to God an awareness of my sexual identity and my ultimate decision to live as God created me I describe the pain of spiritual violence the ache for acceptance and the resulting anger towards the injustice of prejudice I do not believe that God created opposition to homosexuality Any more than I believe He caused the murder persecution and oppression of other faiths minority races or women for thousands of years I believe the true cause originates from those who possess a strong desire to manipulate their surroundings so that their surroundings agree with their own understanding of God And I believe that God will always be on the side of the oppressed not the oppressor *Documents of the LGBT*

Movement Chuck Stewart, 2018-05-25 Beginning from the First People through the influx of European settlers and the slave trade from Africa to the modern era this book presents and discusses documents that reflect pivotal moments in the LGBT rights movement in North America While most would think of the modern Gay Rights Movement as beginning in the 1960s in reality the issue of nonheterosexual human behavior within society and the campaign to achieve equality and acceptance have existed far earlier Beginning with the First People in the Americas and their acceptance of tribal members who did not conform to gender and sexual binary roles to the expansion west and establishment of the United States as a Republic to the contentious struggles for equality in the 20th and 21st centuries this reference traces the development of the Gay Rights Movement through the examination of primary source materials related to the incremental changes toward making America safe for all people These documents enable readers to reflect on pivotal moments in the LGBT rights and sexual equality movement in the past up to the achievement of marriage equality A modern chronology traces key events in the Gay Rights Movement across the last 70 years such as those during the World War II era the formation of the Mattachine Society in Los Angeles in the 1950s to the Stonewall Riot in New York in the late 1960s the elimination of the category of homosexuality as a mental disorder in 1973 the judgment in 2003 by the U S Supreme Court that laws criminalizing sodomy are unconstitutional and the legalization of same sex marriage in all U S states in 2015 Homosexuality, Science, and the "Plain Sense" of Scripture David L. Balch, 2007-07-01 Elucidates the pros and cons of current Christian discussion on the question of homosexuality Challenges partisan views and provides a balanced discussion **God, Family and Sexuality** David W. Torrance, 2011-09-22 This timely book addresses the problem of the family in crisis and challenges us to look at family values from a biblical perspective Some of these are hard questions and we will not all agree on how to tackle them but God Family and Sexuality is a wonderful place to start Linden Bowing CARE Christian faith should be marked by a distinctive lifestyle Nowhere in our culture is that distinctiveness being challenged more than in the area of sexuality This book is a very welcome contribution from a range of well qualified people who argue convincingly that the future of the church and our civilization are at stake Bill Wallace Convener Church of Scotland Board of Social Responsibility a series of well informed and responsible engagements with questions relating to human sexuality a serious attempt to hear God s word speaking amidst the Babel of voices clamoring for attention on these topics should be read widely within and outside the Christian community in the interest of a genuinely plural and balanced public dialogue Trevor Hart Professor of Divinity University of St Andrews *Hey Lgbtq, What Did God Really Say?* John J Harrison, 2020-12-29 Be forewarned the inclusion of LGBTQ values within the Christian Church is growing A well planned methodically compromising attack is underway within once traditional denominations Are you prepared for these new theological deceptions Understand these attacks are well thought out ingenious techniques which use Scripture and logic Shall we forget the temptations of our Lord Jesus Christ where the evil one used the Scriptures And did not our Lord use the Scriptures to rebuke the attacks So be wise use this

Williams,2021-05-27 Since Rev Dr Jeri E Williams is an American Baptist pastor people assume having a gay son must be devastating and contradictory to her beliefs In some extremes people even recommended conversion therapy or disowning her own son But in reality having a gay son has driven her to be even stronger in standing up to the bullies and to demonstrate she would do anything for him just as she would for any of her children In an effort to stop the hurt and help people love one another no matter who we are or whom we love she presents an insightful exploration of how one small church has made an overwhelmingly large difference in the lives of many of God s children who have been ostracized by the church at large Everyone Should Have a Gay Son shares Williams story a story that s been guided by the Holy Spirit in hopes that you ll find your own pathway on the road to acceptance Everyone Should Have a Gay Son reveals a pastor s journey beyond the church s exclusion of the LGBTQ community to a stance of inclusion from growing up thinking homosexuality is a sin to an absolute belief that it is not
