Checklist: For each area designated for that organization to collect and monitor for CAP, answer the following questions. The information you are offered in the questions will help you determine how best to track, display and report on data to the results of the various measures you have chosen for CAP. It's okay to use a relatively small number of measures or indicators that you are tracking; you may wish to include all measures in the table and use this as a reminder to find that could be completed by the person coordinating CAP in your organization. Alternatively, you may choose to use this table for individual measures or groupings of measures that address similar topics.
