Ulisses Jadanhi,2023-11-02 What if you could sit across from Freud and challenge him to his face Freud You Brilliant Bastard is a bold irreverent and mind stirring conversation between a modern psychoanalyst and the ghost of Sigmund Freud Written by Ulisses Jadanhi this provocative book merges deep clinical insight with sharp philosophical critique It s not a tribute it s a confrontation You ll walk through the corridors of the unconscious clash with repression decode dreams and explore taboos that still shape your life With a witty accessible tone and fierce intellectual energy this book dares to ask What still makes Freud brilliant What should we discard or reframe in today s world And what truths are we still too afraid to admit Whether you re a student a therapist or just obsessed with the human psyche this book will shake your views challenge your certainty and make you laugh while it does Forget boring theory This is Freud with fire **And The Cave Plato?** Ulisses Jadanhi,2024-08-01 What if the most dangerous prison isn t made of stone but of thoughts you believe are your own Plato s Allegory of the Cave has haunted human thought for millennia but what does it mean in a world of social media instant gratification and digital illusions In And the Cave Plato author and psychoanalyst Ulisses Jadanhi doesn t just revisit this ancient metaphor he shatters it against the concrete walls of modern life This book is a deliberately sharp ironic and provocative dialogue with philosophy psychoanalysis and ourselves It s not written for academics but for the restless for anyone who has scrolled through filtered smiles and felt a nagging emptiness or chased success only to wonder if the prize was real Blending keen philosophical analysis with modern psychoanalytic reflection Jadanhi confronts the illusions that bind us and the light that promises our liberation And the Cave Plato is more than a question it s a challenge It s an invitation to argue with the book to wrestle with its ideas and to begin the only journey
