Percy avoided repeating these standard comedic tropes across the rest of his literary career as he instead explored extremes of tragic infidelity in plays such as *Hamlet* or extreme promiscuity in *Cuck Queans Fedele* and *Fortunio* s structural simplicity convinced Percy he had to constantly search for new formulas vocabularies and foreign cultures to showcase The introduction explains why the staging of this play is minimalistic to fit with the budgetary and spatial restraints of the accessible London stages A precise explanation is offered of how scholars have come to the false conclusion that the M A A M initials indicate this play was written by Anthony Monday and why the Percy attribution is accurate To show the original divergences of Percy s *Fedele* original and translated excerpts are included from Pasqualigo s Italian France s Latin and Larivey s French versions the plots characters and linguistics of these versions are compared and analyzed A deftly presented informative and inherently interesting study *Fedele* and *Fortunio* will prove to be a much appreciated and valued addition to college and university library English Drama and Literary Studies collections in general and William Percy supplemental studies lists in particular Midwest Book Review James Cox May 2022 Exordium Plot and Staging J Johnson s Introductions 1909 1933 Luigi Pasqualigo s *Il Fedele Comedia del Clarissimo* 1576 Italian Abraham France s *Victoria* 1588 92 Latin based on Dana Sutton s Translation Pierre de Larivey s *Le Fidelle Comedie* 1611 French Text Terms References Questions Exercises

The Illustration of the Master Amy Tucker, 2010-05-26 *The Illustration of the Master* examines the crucial role of the illustrated press in the formation of the reading public and the writing profession during Henry James s lifetime The book re examines James s stories criticism and travel essays in light of the explosive growth of the magazine industry in the United States and abroad at the turn of the century Using previously unpublished archival sources Amy Tucker delves into James s negotiations with publishers editors and literary agents as well as his interactions with some of the celebrated artists who were assigned to illustrate his work Reproducing more than 120 illustrations advertisements and other images that accompanied James s work this book reveals the vital interplay of word and image that helped define literary culture at a moment when popular entertainment and high art had not yet gone their separate ways
