Jw 2014 Conventions Childs:

The United Nations Convention on the Rights of the Child Ton Liefwaard, Julia Sloth-Nielsen, 2016-11-01 In 2014 the world's most widely ratified human rights treaty one specifically for children reached the milestone of its twenty fifth anniversary The UN Convention on the Rights of the Child was adopted after the fall of the Berlin Wall and in the time since then it has entered a new century reshaping laws policies institutions and practices across the globe along with fundamental conceptions of who children are their rights and entitlements and society's duties and obligations to them Yet despite its rapid entry into force worldwide there are concerns that the Convention remains a high level paper treaty without the traction on the ground needed to address ever continuing violations of children's rights This book based on papers from the conference 25 Years CRC held by the Department of Child Law at Leiden University draws together a rich collection of research and insight by academics practitioners NGOs and other specialists to reflect on the lessons of the past 25 years take stock of how international rights find their way into children's lives at the local level and explore the frontiers of children's rights for the 25 years ahead *International Parental Child Abduction and the Law* Geraldine Carney, 2024-06-13 Japan has faced widespread scrutiny for failing to properly address international parental child abduction involving its citizens This book examines how and why Japan has come to have this tarnished image its response and how it might manage these disputes in the future In particular the book explores how Japan engages with international legal frameworks to manage international parental child abduction and what this means in reality for Japanese people and others who come under its wide umbrella A focus of this examination is how the key international treaty the Hague Convention of 25 October 1980 on the Civil Aspects of International Child Abduction has fared since being introduced in Japan in 2014 Case studies of parental child abduction involving Japan are used throughout to illustrate the legal and social concepts discussed in the book The struggles of both abducting and left behind parents across fluid international borders reveal seismic social and philosophical shifts in Japan that continue to shape its legal landscape This book will be a useful resource for students of Japanese Studies Sociolegal Studies Comparative Law and International Law **A Guide to Global Mental Health Practice** Craig L. Katz, Jan Schuetz-Mueller, 2015-05-01 Drawing on the authors experience in developing and implementing global mental health programs in crisis and development settings *A Guide to Global Mental Health Practice Seeing the Unseen* is designed for mental health public health and primary care professionals new to this emerging area The guide is organized topically and divided into four sections that move from organizing and delivering global mental health services to clinical practice and from various settings and populations likely to be encountered to special issues unique to global work Case studies based around a central scene are threaded throughout the book to convey what global mental health work actually involves Mental health professionals of all backgrounds including social workers nurses nurse practitioners psychologists and psychiatrists as well as public health professionals and community level medical professionals and mental health advocates will benefit from

this engaging primer It is the book for anyone committed to addressing mental health issues in a low resource or crisis hit setting whether international or domestic Sexting and Cyberbullying Shaheen Shariff,2014-12-29 Directed at policy makers legislators educators parents the legal community and anyone concerned about current public policy responses to sexting and cyberbullying this book examines the lines between online joking and legal consequences It offers an analysis of reactive versus preventive legal and educational responses to these issues using evidence based research with digitally empowered kids Shaheen Shariff highlights the influence of popular and rape culture on the behavior of adolescents who establish sexual identities and social relationships through sexting She argues that we need to move away from criminalizing children and toward engaging them in the policy development process and she observes that important lessons can be learned from constitutional and human rights frameworks She also draws attention to the value of children s literature in helping the legal community better understand children s moral development and in helping children clarify the lines between harmless jokes and harmful postings that could land them in jail **Working with Vulnerable Children, Young People and Families** Graham Brotherton,Mark Cronin,2020-10-11 This fully revised and expanded edition considers the meaning of vulnerability a key concept in early intervention and the relationship between vulnerability and the individual communities and society It includes new chapters on children s voices young people and vulnerability and working with vulnerable parents Introducing students to a broad debate around what constitutes vulnerability and related concepts such as risk and resilience it examines how vulnerability has been conceptualised by policy makers with a clear focus on early intervention for preventing social problems later in life It adopts a case study approach using chapters examining the concept of vulnerability from sociological psychological and social policy perspectives before looking at examples around leaving care victims of violence sexual abuse and the Internet Supporting students in engaging with and evaluating the conceptualisation and application of vulnerability in professional practice this book is suitable for anyone either preparing for or currently working within the children s workforce from social work and health care to education and youth work *The International Legal Protection of Children in Street Situations* Sylvia Agu,2025-08-12 The book conducts a comprehensive analysis of codified international legal instruments and documents in their application to children in street situations employing soft law documents to elucidate treaty interpretation and supplement existing legal standards The research adopts a holistic approach correlating international legal instruments with root causes and consequences for children in street situations while systematically examining issues of intersectionality such as economic social and cultural rights civil and political rights minority rights including disability rights rights of the girl child as well as LGBTQI and migrant rights reparations impact of violence and access to essential services like health food and housing with various human rights issues including economic social cultural and civil political rights It presents the plight of children in street situations as a human rights concern offering guidance on utilising international legal sources in rights claims procedures The study also integrates sociological

and political perspectives with legal and governmental policy issues examining the influence of external factors such as conditional lending and structural adjustment programmes wars and decolonisation on social policies and their consequent impact on children and families by rendering children in street situations visible as a distinct category requiring urgent attention in State policy formulation By systematically integrating international legal instruments with practical policy considerations and applications concerning children in street situations this scholarly work serves as a comprehensive legal framework for State governments their bodies and social workers and a valuable advocacy guide for interest groups including non governmental organisations proposing future directions for policy and research for addressing the rights and needs of children in street situations
