Ringel,1979 **Electrical Experimenter** ,1928 **Questions of Socialists and Their Answers** William Stephens Kress,1908 *Contraceptive Risk* William Green,2017-05-02 The story of Depo Provera joins the national struggle over the drug s FDA approval to the state legal issues raised by its contraceptive and criminal justice uses Depo Provera is known as an injectable hormonal birth control method but few are familiar with its dark and complicated history Depo Provera was tested on women since the mid 1960s without their informed consent until it was FDA approved in 1992 but never FDA approved as chemical castration for male sex offenders Contraceptive Risk is William

Green's landmark study of Depo Provera Based on a fascinating combination of archival materials and interviews the book is framed as three interconnected stories told by Judith Weisz who chaired the FDA's Public Board of Inquiry on Depo Provera a scientific court by Anne MacMurdo who brought a products liability suit against Upjohn the drug's manufacturer for the deleterious side effects she suffered from the drug's use and by Roger Gauntlett an Upjohn heir who when he was convicted of sexual assault refused to take a dose of his family's own medicine as a probation condition Together these three stories of Depo Provera's convoluted fifty year odyssey call for a paradigm shift in pharmaceutical drug development Contraceptive Risk is a thoroughly researched and engrossing approach to the scientific political and institutional forces involved in health law and policy as well as the multifaceted politics of measuring risk Official Gazette of the United States Patent and Trademark Office ,1986 **The American Contractor** ,1915 **Twin Plant News** ,2001
