Renegade Grief Carla Fernandez, 2025-03-11 From grief quests to altar making to dinner parties to Dungeons Dragons *Renegade Grief* is an offering to the struggle and art of being human Krista Tippett New York Times bestselling author and a profound vulnerable exploration of care practices and rituals that empower grievers in a culture that expects us to simply give it time So you've lost someone At first there is an outpour of support and phone calls and care packages But after the services are done and the phone stops ringing there is a quiet in the air and an expectation to get on with your life The problem is that death has a way of making all plans go out the window *Renegade Grief* offers the support in this next stage of grieving when you feel isolated in your loss and are figuring out how to navigate it Shaped by her own experience with the death of her father and her time cofounding The Dinner Party a leading peer support organization for people who've experienced a major loss Carla Fernandez pushes back on the death denying culture we live in For too long grief has been treated as something pitiable simply sad to be gotten over as soon as possible But after fifteen years of being in a community with fellow grievers Carla has witnessed a different side of the story Grieving a significant loss is hardcore hardly something to be swept under the rug but an experience to be held with respect a creative spirit and with friends Through inspiring stories of real grievers patterns from across history and fresh science *Renegade Grief* enlivens you with the permission and possibility to explore your grief in your own unique way and reminds you that you're not alone in doing it *Renegade Grief* is an indispensable resource for people at any stage of the grieving process and with Carla's candid and compassionate guidance you learn that life after loss isn't about the futile attempt of arriving at some other side Rather it's about building your community adjusting to change and finding the way for your grief to become a pathway into your own version of a soulful life Seen That, Now What?
