Kant's Politics in Context

REIDAR MALIKS

Kant S Politics In Context

Mark Timmons, Sorin Baiasu

Kant S Politics In Context:

Kant's Politics in Context Reidar Maliks, 2014 Kant's Politics in Context is the first book length contextual study of Kant's legal and political philosophy. It gives an account of the development of his thought before, during and after the French revolution. The book argues that Kant provided a philosophical defence of the revolution's liberal ideals while aiming to avoid the twin dangers of anarchy and despotism. Central to this was a concept of freedom as non-domination constituted by legal rights and duties within a state. The close connection between freedom and the rule of law accounts for the centrality of the state in Kant's liberalism. Understanding Kant's political philosophy poses difficulties that can be resolved by paying attention to the high stakes debates in Germany during the 1790s of which it was a part. Kant's theory of politics was not the result of dispassionate academic reasoning but crystallized in polemical interventions against his conservative and radical critics in debates about freedom, political rights, revolution and international law. By revealing the neglected origins of Kant's political concepts, this book explains their meaning as well as their relevance to current debates in political philosophy.

Kant's Politics in Context Reidar Maliks, 2014 Argues that Kant provided a philosophical defense of the revolution's liberal ideals while aiming to avoid the twin dangers of anarchy and despotism. Central to this was a concept of freedom as non-domination constituted by legal rights and duties within a state.

Provisional Politics Elisabeth Ellis, 2008-01-01 If we are to vindicate moral reasoning in politics, Elisabeth Ellis argues in this original and provocative work, we must focus on the conditions of political discourse rather than the contents of any particular ethical system. Written in an engaging, direct style, *Provisional Politics* builds on Ellis's prize-winning interpretation of Kant's theory of provisional right to construct a new theory of justice under conditions of agency and plurality. She develops this new perspective through a series of cases ranging from the treatment of AIDS widows in Kenya to the rights of non-citizens everywhere, as well as the clash between democratic decision-making and the politics of species conservation. The book concludes with a sobering discussion of the probable limits of political agency.

Passions, Politics and the Limits of Society Heikki Haara, Koen Stapelbroek, Mikko Immanen, 2020-08-24 The 1st part of the volume engages with the theme of inclusion and exclusion in the history of ideas from different perspectives. The 2nd part of the volume discusses debates on natural law, human nature and political economy in early modern Europe. Its contributions explore the sorts of political and moral visions that were relevant in post-Hobbesian moral philosophy and the development of economic thought.

Kant's Early Followers in Political Philosophy Reidar Maliks, Elisabeth Theresia Widmer, 2025-06-27 Immanuel Kant influenced a large and productive group of political philosophers in the 1790s. This volume argues that they brought out more fully the egalitarian principles of Kantian republicanism. The Kantian school featured young philosophers including Saul Ascher, Johann Adam Bergk, Johann Benjamin Erhard, Johann Ludwig Ewald, the early Johann Gottlieb Fichte, Friedrich Schlegel and Johann Heinrich Tieftrunk. The chapters in this volume analyze their work in relation to Kant and their wider philosophical and political context. They advance three

main theses First the Kantians defended popular sovereignty and several of them supported the extension of the right to vote to workers and women Second several of them developed a political perfectionism the view that equal political rights are justified for their effects on cultivating moral character Third they developed sophisticated theories of state legitimacy and collective action defending a people's right to change their constitution either through reform or through revolution Kant's Early Followers in Political Philosophy offers a systematic view into a neglected group of thinkers at a foundational moment for modern political thought It will be of interest to scholars and graduate students working on Kant eighteenth century philosophy political philosophy and the history of early modern German political thought Politics and Teleology in Kant Tatiana Patrone, Paul Formosa, Avery Goldman, 2014-04-15 This volume critically examines and elucidates the complex relationship between politics and teleology in Kant's philosophical system Examining this relationship is of key philosophical importance since Kant develops his political philosophy in the context of a teleological conception of the purposiveness of both nature and human history Kant's approach poses the dual task of reconciling his normative political theory with both his priori moral philosophy and his teleological philosophy of nature and human history The fourteen essays in this volume by leading scholars in the field explore the relationship between teleology and politics from multiple perspectives Together the essays explore Kant's normative political theory and legal philosophy his cosmopolitanism and views on international relations his theory of history his theory of natural teleology and the broader relationship between morality history nature and politics in Kant's works This important new volume will be of interest to a wide audience including Kant scholars scholars and students working on topics in moral and political philosophy the philosophy of history political theory and political science legal scholars and international relations theorists as well as those interested broadly in the history of ideas

Kant's Nonideal Theory of Politics Dilek Huseyinzadegan, 2019-04-15 Kant's Nonideal Theory of Politics argues that Kant's political thought must be understood by reference to his philosophy of history cultural anthropology and geography The central thesis of the book is that Kant's assessment of the politically salient features of history culture and geography generates a nonideal theory of politics which supplements his well known ideal theory of cosmopolitanism This novel analysis thus challenges the common assumption that an ideal theory of cosmopolitanism constitutes Kant's sole political legacy Dilek Huseyinzadegan demonstrates that Kant employs a teleological worldview throughout his political writings as a means of grappling with the pressing issues of multiplicity diversity and plurality issues that confront us to this day Kant's Nonideal Theory of Politics is the first book length treatment of Kant's political thought that gives full attention to the role that history anthropology and geography play in his mainstream political writings Interweaving close textual analyses of Kant's writings with more contemporary political frameworks this book also makes Kant accessible and responsive to fields other than philosophy As such it will be of interest to students and scholars working at the intersections of political theory feminism critical race theory and post and decolonial thought The Politics of German Idealism Christopher Yeomans, 2023 The

Politics of German Idealism reconstructs the political philosophies of Kant Fichte and Hegel against the background of their social historical context It aims to connect their abstract doctrines to particular social changes taking place at the time and to profile each of their views against the others Kant's Tribunal of Reason Sofie Møller,2020-03-05 This is the first book length study in English of Kant s legal metaphors whose philosophical importance has so far been overlooked It will appeal to academic researchers and advanced students of Kant early modern philosophy legal philosophy and intellectual history

How Kant Matters For Biology Andrew Jones,2023-03-15 Kant denied biology the status of proper science yet his account of the organism has received much attention from both philosophical and historical perspectives This book argues that Kant s influence on biology in the British Isles is in part due to misunderstandings of his philosophy Highlighting these misunderstandings exposes how Kant influenced various aspects of scientific method despite the underlying incompatibility between transcendental idealism and scientific naturalism This book raises criticism against scientific naturalism as it demonstrates how some concepts that are central to biology have been historically justified in ways that are incompatible with naturalism Approaching current issues in philosophy of biology from a Kantian orientation offers new perspectives to debates including our knowledge of laws of nature the unity of science and our understanding of organisms Moreover new avenues are forged to demonstrate the benefits of adopting Kant inspired approaches to issues in contemporary philosophy of science *Kant and the Problem of Politics* Luigi Caranti,Alessandro Pinzani,2022-07-18 This book examines the

significance of Kant s political philosophy in the context of contemporary philosophical and political debates In the last few decades Kantian specialists have increasingly manifested a purely exegetic and philological interest in Kant s oeuvre while contemporary philosophers and scientists tend to use Kant with scant hermeneutical care thus misrepresenting or misunderstanding his positions This volume countervails these tendencies by focusing more on specific themes of contemporary relevance in Kant s writings It looks to Kant s political thought for insight on tackling issues such as freedom of speech democracy and populism intergenerational justice economic inequality money poverty international justice and gender feminism Featuring readings by well known Kant specialists and emerging scholars with unorthodox approaches to Kant s philosophy the volume fills a significant gap in the existing scholarship on the philosopher and his works It will be of great interest to scholars and researchers of philosophy politics and ethics Kant, Religion, and Politics James

DiCenso,2011-08-18 This book offers a systematic examination of the place of religion within Kant s major writings Kant is often thought to be highly reductionistic with regard to religion as though religion simply provides the unsophisticated with colourful representations of moral lessons that reason alone could grasp James DiCenso s rich and innovative discussion shows how Kant s theory of religion in fact emerges directly from his epistemology ethics and political theory and how it serves his larger political and ethical projects of restructuring institutions and modifying political attitudes towards greater autonomy It also illustrates the continuing relevance of Kant s ideas for addressing issues of religion and politics that remain

pressing in the contemporary world such as just laws transparency in the public sphere and other ethical and political concerns The book will be valuable for a wide range of readers who are interested in Kant's thought *Kant, Critique and Politics* Kimberly Hutchings, 2013-01-11 Why does the ghost of Kant continue to haunt contemporary critical theory Kant Critique and Politics examines the influence of Kantian critique on the work of such major and diverse theorists as Habermas Arendt Foucault and Lyotard It offers an entirely new reading of Kant challenging the orthodox distinctions between modernist and postmodernist theorizing by illuminating how Kant's influence continues to structure critical debate This is the first book to offer both a systematic reading of Kant and to contextualise his work in the light of the continental tradition It will be central to political philosophers and students of international relations and feminist theory **Time, History, and Political Thought** John Robertson, 2023-06-22 Between the cliché that a week is a long time in politics and the aspiration of many political philosophers to give their ideas universal timeless validity lies a gulf which the history of political thought is uniquely qualified to bridge For that history shows that no conception of politics has dispensed altogether with time and many have explicitly sought legitimacy in association with forms of history Ranging from Justinian's law codes to rival Protestant and Catholic visions of political community after the Fall from Hobbes and Spinoza to the Scottish Enlightenment and from Kant and Savigny to the legacy of German Historicism and the Algerian Revolution this volume explores multiple ways in which different conceptions of time and history have been used to understand politics since late antiquity Bringing together leading contemporary historians of political thought Time History and Political Thought demonstrates just how much both time and history have enriched the political imagination Politics and Metaphysics in Kant Sorin Baiasu, Sami Pihlström, Howard Williams, 2011-05-15 The past three decades have witnessed the emergence of several Kantian theories Both the critical reaction to consequentialism inspired by Rawlsian constructivism and the universalism of more recent theories informed by Habermasian discourse ethics trace their main sources of inspiration back to Kant's writings *Kant, Global Politics and Cosmopolitan Law* Claudio Corradetti, 2020-04-08 Why is there so much attention on Kant's global politics in present day law and philosophy This book highlights the potential fruitfulness of Kant's cosmopolitan thought for understanding the complexities of the contemporary political world It adopts a double methodological strategy by reconstructing a genealogical conceptual journey showing the development of international law as well as introducing an interpretation of cosmopolitanism centred on Kant's theory of a metaphysics of freedom The result is a novel focus on Kant's notion of the world republic The hypothesis here defended is that the world republic stands as a way of thinking about international politics where the possibility of progression towards peace results from its use as a regulative idea *Kantian Citizenship* Mark Timmons, Sorin Baiasu, 2025-03-31 This book is a collection of 12 new essays on the topic of Kant's account of citizenship the first book length text on this topic It features an international cast of leading scholars who specialize in Kant's ethics philosophy of religion and political philosophy The contributors connect Kant's philosophy with contemporary

issues concerning citizenship including the moral grounds of citizenship rights the relation between citizenship human rights and dignity civic virtues citizenship in the ethical commonwealth in particular the moral function of religious rituals the link between ethical duties and faith and the relation between religious freedom and political power democratic participation the legitimacy of international courts just war theory cosmopolitanism and the contemporary relevance of a Kantian account of citizenship The topic is of interest given some of the currently urgent citizenship related challenges that we are facing today Kant's account of justice stipulates that in a fair and peaceful world the legal framework that establishes rights and obligations should be effective at national international and cosmopolitan levels Kant's legal and political philosophy also features the unique combination of a realistic appraisal of the human condition and powerful normative recommendations concerning action and principles of ethics and law Together with Kant's emphasis on the requirement of consistency the approaches discussed in the volume are better able to orient thinking and guide action for currently urgent ethical legal political and social problems Kantian Citizenship will appeal to scholars and graduate students working on Kant's legal and political philosophy as well as scholars from other fields who are interested in legal philosophy and the politics of citizenship

Kant and the Politics of Racism Jimmy Yab, 2021-09-11 This book proposes an account of the place of the theory of race in Kant's thought as a central part of philosophical anthropology in his political system Kant's theory of race this book argues is integral to the analysis of the *Charakteristik* of the human species and determined by human natural predispositions The understanding of his theory as such suggests not only an alternative reading to the orthodox narrative we have seen so far but also reveals the underlying centrality of the notion of human natural predispositions in a way that is consequential for Kant's philosophy as a whole What is the impact of Kant's racial theory on his philosophy and political thought Is Kant a consistent egalitarian or a partisan Universalist thinker Is he the symbol of racist prejudices of his time What is the influence of his racial hierarchy on his cosmopolitan right Or more simply is Kant racist From a systematic examination of Kant relevant writings this book provides answers to these questions and shed light on two fundamental problems of his theory of race for moral philosophy namely 1 the completeness of the character of the White race and 2 the dispossession of the character of the beauty and the dignity of human nature of the Negro race These two issues unperceived from the orthodox reading's perspective however uncovered by the heterodox reading not only shape Kant's race thinking from the beginning to the end of his life transform his cosmopolitan right into a non universalist form of right but merely define Kant as a fundamental racist thinker since he developed the anthropology the philosophy and the politics of racism in a systematic way

A History of Modern Political Thought Gary Browning, 2016-10-27 How are we to understand past political thinkers Is it a matter simply of reading their texts again and again Do we have to relate past texts of political thought to the contexts in which ideas were composed and in which the aims of past thinkers were formulated Or should past political theories be deconstructed so as to uncover not what their authors maintain but what the texts reveal In this book

theories of interpreting past political thinkers are examined and the interpretive methods of a range of theories are reviewed including those of Hegel Marx Oakeshott Collingwood the Cambridge School Foucault Derrida and Gadamer The application of these theories of interpretation to notable modern political theorists Machiavelli Hobbes Locke Rousseau Kant Hegel Marx Bentham Mill Nietzsche and Beauvoir is then used as a way of understanding modern political thought and of assessing interpretive theories of past political thought The result is a book which sees the history of modern political thought as more than a procession of political theories but rather as a reflection on the meaning of past political thought and its interpretation It provides a way of reading the history of modern political thought in which the question of interpretation matters both for understanding how we interpret the past but also for considering what it means to undertake political thinking

The Politics of Skepticism in the Ancients, Montaigne, Hume, and Kant John Christian Laursen, 1992-09-01 This book brings out the profound influence of the tradition of philosophical skepticism on political thought It shows that many of the root ideas of liberalism in early modern thought were a product of engagement with the skeptical tradition The book begins with the first extended discussion in the literature of the political implications of ancient skepticism asking the question Can Skeptics Live a Skeptical Politics The following sections explore the influence of skepticism on the political thought of Montaigne Hume and Kant The case is made that some forms of liberalism derived from these thinkers have been historically closely bound up with skepticism

Kant S Politics In Context Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Kant S Politics In Context free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Kant S Politics In Context free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Kant S Politics In Context free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and

verify the authenticity of the source before downloading Kant S Politics In Context. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Kant S Politics In Context any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Kant S Politics In Context Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Kant S Politics In Context is one of the best book in our library for free trial. We provide copy of Kant S Politics In Context in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Kant S Politics In Context. Where to download Kant S Politics In Context online for free? Are you looking for Kant S Politics In Context PDF? This is definitely going to save you time and cash in something you should think about.
