If you are looking for a book that will help you learn how to apply the different basic techniques of karate, this is it. Karate is not just a sport but an art, and as such it can be practiced by anyone anywhere and anytime. The purpose of this book is to illustrate and preserve the martial techniques which are slowly dying. This practical manual will help and guide the practitioner toward the betterment of his abilities and the perfection of this art. Karate Complete Martial Arts Training Manual Ashley Martin, 2012-04-16 The Complete Martial Arts Training Manual is a complete guide for anyone who has an interest in the martial arts. Having a broad knowledge of the various techniques of the martial arts gives a martial artist an expanded ability to counteract a variety of attacks and overwhelm an opponent's defenses. Author Ashley Martin shares with the reader his years of experience as a practitioner and teacher. He provides a catalog of the various martial arts being taught worldwide and their strengths and weaknesses. He then covers the basics of hand-to-hand techniques within each of those disciplines, from strikes to ground fighting. Finally, he offers information on the overall health and well-being of the martial artist, including important nutritional information and stretching techniques. The Complete Martial Arts Training Manual is a solid foundation of martial arts for beginners and a key supplement for the veteran martial artist. **Black Belt**, 1977-04 The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world, including techniques and strategies.
