Oliver, 2019-08-29 In the sixteenth century a period of proliferating transatlantic travel and exploration and latterly religious civil wars in France the ship is freighted with political and religious as well as poetic significance symbolism that reaches its height when ships both real and symbolic are threatened with disaster The Direful Spectacle argues that in the French Renaissance shipwreck functions not only as an emblem or motif within writing but as a part or the whole of a narrative in which the dynamics of spectatorship and of co operation are of constant concern The possibility of ethical distance from shipwreck imagined through the Lucretian *suave mari magno* commonplace is constantly undermined not least through a sustained focus on the corporeal This book examines the ways in which the ship and the body are made analogous in Renaissance shipwreck writing bodies are described and allegorized in nautical terms and conversely ships themselves become animalized and humanized Secondly many texts

anticipate that the description of shipwreck will have an affect not only on its victims but on those too of spectators listeners and readers This insistence on the physicality of shipwreck is also reflected in the dynamic of bricolage that informs the production of shipwreck texts in the Renaissance The dramatic potential of both the disaster and the process of rebuilding is exploited throughout the century culminating in a shipwreck tragedy By the late Renaissance shipwreck is not only the end but often forms the beginning of a story *A History of Greece: Greece under Othoman and Venetian domination, A.D. 1453-1821* George Finlay,1877 The Fairy Tales of Madame D'Aulnoy Aulnoy (Madame d', Marie-Catherine),1892 *The Complete Works of Rafael Sabatini* Rafael Sabatini,2023-11-16 In The Complete Works of Rafael Sabatini readers are treated to a comprehensive collection of the author s novels short stories and historical narratives which seamlessly blend adventure romance and intricate character development Known for his vivid prose and meticulous historical detail Sabatini s writing captures the essence of the early 20th century swashbuckler while exploring themes of honor betrayal and redemption His works often set against the backdrop of tumultuous historical events showcase a unique narrative style that combines finesse with thrilling pacing providing insight into the moral dilemmas faced by his protagonists Rafael Sabatini 1875 1950 an Italian born British writer was profoundly influenced by his multicultural upbringing in Italy and England His early fascination with historical adventure tales and a rich heritage steeped in storytelling propelled him to become a master of the genre Sabatini s extensive travels and deep interest in history further informed his vivid landscapes and complex characters establishing him as a significant voice in early 20th century literature This collection is indispensable for lovers of historical fiction and adventure literature alike It invites readers to immerse themselves in a world of dashing heroes epic battles and romantic pursuits Those unfamiliar with Sabatini s genius will find themselves captivated while seasoned fans will relish the opportunity to revisit his masterpieces in a unified format A History of Greece George Finlay,1877 **A History of Greece from Its Conquest by the Romans to the Present Time** George Finlay,1877 **Baudelaire's Poetic Patterns** Peter Broome,2023-11-27 This major new study of Baudelaire is a journey into the secret language of Les Fleurs du Mal the expressive pliabilitys of its verse forms and syntax the fluctuations of its rhythms its significant sonorities its metaphorical figures and dynamic image patterns its network of nerves and trigger points its shifting underground of parallels and contrasts analogies and antitheses Through a strategic selection of poems constituting a constellation a formal pattern of mutually illuminating parts the analysis aims to show that form and theme are indissoluble that each movement in the texture of the verse each pulse each rise and fall each intensification or release not only aids and abets the thrust of the poet s inspiration but is moulding and in the end creating the subtleties of sense which cannot exist but in the weft and web of the breathing evolving text It is a study which prioritizes the individual poem then the poem within an expanding formation of poems then Baudelaire within and beyond that formation an *infini dans le fini* It is also an enquiry into what makes poetry as well as a provocative contribution to the ongoing debate on the nature of criticism *A History of Greece, from its Conquest*
