and Dawn on a Distant Shore award winning writer Sara Donati deftly captured the vast untamed wilderness of late  
eighteenth century New York and the trials and triumphs of the Bonner family Now Donati takes on a new and often  
overlooked chapter in our nation s past and in the life of the spirited Bonners as their oldest daughter the brave and beautiful  
Hannah comes of age with a challenge that will change her forever Masterfully told this passionate story is a moving tribute  
to a resilient adventurous family and a people poised at the brink of a new century It is the spring of 1802 and the village of  
Paradise is still reeling from the typhoid epidemic of the previous summer Elizabeth and Nathaniel Bonner have lost their two  
year old son Hannah s half brother Robbie but they struggle on as always the men in the forests the twins Lily and Daniel in  
Elizabeth s school and Hannah as a doctor in training apprenticed to Richard Todd Hannah is descended from healers on  
both sides one Scots grandmother and one Mohawk and her reputation as a skilled healer in her own right is growing After a  
long night spent attending to a birth Elizabeth and Hannah encounter an escaped slave hiding on the mountain She calls  
herself Selah Voyager and she is looking for Curiosity Freeman a former slave herself one of the village s wisest women and  
Elizabeth s closest friend The Bonners take Selah desperately ill to Lake in the Clouds to care for her and with that simple act  
they are drawn into the secret life that Curiosity and Galileo Freeman and their grown children have been leading for almost  
ten years The Bonners will do what they must to protect the Freemans just as Hannah will protect her patient who presents  
more than one kind of challenge For a bounty hunter is afoot Hannah s childhood friend and first love Liam Kirby While  
Elizabeth and Nathaniel undertake a treacherous journey through the endless forests to bring Selah to safety in the north  
Hannah embarks on a very different journey to New York City with two goals to learn the secrets of vaccination against  
smallpox a disease that threatens Paradise and to find out what she can about Liam s immediate past and what caused him to  
change so drastically from the boy she once loved The obstacles she faces as a woman and a Mohawk make her confront  
questions long avoided about her place in the world Those questions follow her back to Paradise where she finds that the  
medical miracle she brings with her will not cure prejudice or superstition nor can it solve the problem of slavery No sooner  
have the Bonners begun to rebound from their losses old and new than they find themselves confronted by more than one old

enemy in a battle that will test the strength of their love for one another Hannah faces the decision she has always dreaded will she make a life for herself in a white world or among her mother s people     **Psyche** ,1896     General history John Brandt Mansfield,1899     Lake Maxinkuckee Barton Warren Evermann,Howard Walton Clark,1920     Report of the Engineering Board of Review of the Sanitary District of Chicago on the Lake Lowering Controversy and Remedial Measures Chicago Sanitary District.
