Catherine Campanella,2019-06-24 Pleasure seekers have visited Lake Pontchartrain destinations for more than two centuries From grand resorts like the Pontchartrain Hotel to simple camps at Little Woods these shores welcomed visitors by steamboat and train to dance dine drink and gamble Milneburg was home to a noted hotel and bathhouses while Mandeville was a popular spot to escape the heat Entertainment included the contortionist Happy Frog Holman the Great Wallendas and Armand Piron's Jazz Orchestra Join author Catherine Campanella for a fascinating look back at the camps restaurants and amusement parks lost to nature neglect and changing times      **Metairie** Catherine Campanella,2022 Humans first

Phillips,2013-07-21 There are over a million jazz recordings but only a few hundred tunes have been recorded repeatedly Why did a minority of songs become jazz standards Why do some songs and not others get rerecorded by many musicians **Shaping Jazz** answers this question and more exploring the underappreciated yet crucial roles played by initial production and markets in particular organizations and geography in the development of early twentieth century jazz Damon Phillips considers why places like New York played more important roles as engines of diffusion than as the sources of standards He demonstrates why and when certain geographical references in tune and group titles were considered more desirable He also explains why a place like Berlin which produced jazz abundantly from the 1920s to early 1930s is now on jazz s historical sidelines Phillips shows the key influences of firms in the recording industry including how record companies and their executives affected what music was recorded and why major companies would rerelease recordings under artistic pseudonyms He indicates how a recording s appeal was related to the narrative around its creation and how the identities of its firm and musicians influenced the tune s long run popularity Applying fascinating ideas about market emergence to a music s commercialization **Shaping Jazz** offers a unique look at the origins of a groundbreaking art form      *Annual Report of the Chief of Engineers, U.S. Army* United States.
