## Lake Tyers Fishing Report:

Report of the Commissioners appointed to inquire into the present condition of the aborigines of this colony [microform]  
Victoria. Royal Commission on the Aborigines, 1877      *Report of the Central Board Appointed to Watch Over the Interests of the Aborigines in the Colony of Victoria ...* Victoria Board for Protection of Aborigines, 1864      Report of the Board of Inquiry Into the Timber Industry in Victoria: Commissioned papers I. S. Ferguson, 1985      **Criminalizing Children** David McCallum, 2017-12-21

Incarceration of children is rising rapidly throughout of Australia with indigenous children most at risk of imprisonment Indigenous and non indigenous children have been subject to detention in both welfare and justice systems in Australian states and territories since colonization Countless governments and human rights enquiries have attempted to address the problem of the increasing criminalization of children with little success David McCallum traces the history of problem children over several decades demonstrating that the categories of neglected and offending children are both linked to similar kinds of governing Institutions and encampments have historically played a significant role in contributing to the social problems of today This book also takes a theoretical perspective tracking parallel developments within the human sciences of childhood and theories of race Applying a social theoretical analysis of these events and the changing rationalities of governing McCallum challenges our assumptions about how law and governance of children leads to their criminalization and incarceration      *BUCKLEY, BATMAN & MYNDIE: Echoes of the Victorian culture-clash frontier*, 2021-01-01
