covers every major aspect of LEED in plain and concise language and introduces it to ordinary people This guide is small and easy to carry around You can read it whenever you have a few extra minutes It is an indispensable book for ordinary people developers brokers contractors administrators architects landscape architects civil structural mechanical electrical and plumbing engineers interns drafters designers and other design professionals What others are saying about LEED Green Associate Exam Guide Part I Finally A comprehensive study tool for LEED GA Prep I took the one day Green LEED Green Associate course and walked away with a power point binder printed in very small print which was missing MUCH of the required information although I didn't know it at the time I studied my little heart out and took the test only to fail it by 1 point Turns out I did NOT study all the material I needed to in order to pass the test I found this book read it marked it up retook the test and passed it with a 95% Look we all know the LEED Green Associate Exam is new and the resources for study are VERY limited This one is the VERY best out there right now I highly recommend it Consultant VA Complete overview for the LEED Green Associate exam I studied this book for about three days and passed the exam if you are truly interested in learning about the LEED system and green building design this is a great place to start K A Evans See all our books at GreenExamEducation.com Check out FREE tips on the easiest way to pass the LEED Green Associate Exam and info for all LEED Exams and ARE Exams at GeeForums.com you can post your questions for other users review **USGBC**

LEED Green Associate Study Guide U.S. Green Building Council, 2009 This study guide is a resource to help you prepare for the LEED Green Associate Examination It summarizes the critical points of green design construction and operations To help you master its content the guide has been packaged with the Green Building and LEED Core Concepts Guide one of the reference documents for the LEED Green Associate Exam Within each category of the guide you will find a variety of study tools including category reviews review questions and worksheets learning activities and practice questions P 1 **LEED Green Associate V4 Exam Complete Study Guide (Second Edition)** A. Togay Koralturk, 2016-07-21 PASS THE LEED GREEN ASSOCIATE EXAM WITH FLYING COLORS The LEED Green Associate V4 Exam Complete Study Guide aims to provide deep insight into the principles of green building and helps the reader to learn rather than to memorize the essential information for the exam Thus this approach equips candidates to successfully pass the LEED Green Associate exam with flying colors in order to actively apply green building and LEED principles in real life This book is the only resource a candidate needs in order to successfully pass the exam As LEED v4 is quite different in comparison to the former versions the book was entirely re-written thus it was not updated from a previous edition All of the chapters contain guidance on the aspects that require extensive attention while the book points out the finer details to focus on for the exam purposes It does not matter how much time passes after taking the exam as learning the real reasons behind the green building and LEED principles through observation will help to consolidate this information concisely Even though the LEED Green Associate exams are sometimes referred to as conceptual exams in reality the exam goes well beyond that Without diving into the

LEED prerequisites and credits a candidate cannot ever guarantee passing the test as a result the book covers the core concepts of each LEED credit category and then evaluates the LEED prerequisites and credits to demonstrate how those green building concepts turn into real projects with LEED requirements The book is also recommended for students professionals and anyone who has not chosen to take an LEED professional exam but nonetheless retains a strong interest in LEED and green buildings Poplar LEED V4 Green Associate Study Guide and 100 Question Practice Test Rob
