Matric Timetable May June 2015

WJ Hussar

Matric Timetable May June 2015:

Rational Piety and Social Reform in Glasgow Stephen Cowley, 2015-06-12 James Mylne 1757-1839 taught moral philosophy and political economy in Glasgow from 1797 to the mid 1830s. *Rational Piety and Social Reform in Glasgow* offers readers Mylne's biography, a summary of his lectures on moral philosophy and political economy, several interpretative essays, and a collation of his introductory lecture. Mylne's moral philosophy lectures cover the intellectual and active powers of man and offer an account of his duties to God, neighbor, and self. He diverges from the moral sense and common sense traditions associated with Francis Hutcheson and Thomas Reid in Glasgow. He reinstates reason as the guiding principle of conscience and argues for utility as the predominant criterion of morality. Mylne was also active among the Whig friends of Mr. Fox and in the Glasgow Reform Association for his theory of the sovereignty of reason. His view of political reform and the concept of value in his lectures on political economy. In a criticism of Adam Smith, Mylne interprets use value as prior to exchange value, founding it in lawful desires identifiable by a merchant community. Mylne's political opinions and activity among local political reformers and literary societies exemplify the Glasgow Whig tradition. **Final GCE Timetable**
