Magazines, Tourism, and Nation-Building in Mexico Claire Lindsay, 2018-11-20 This open access book discusses the relationship between periodicals tourism and nation building in Mexico It enquires into how magazines a staple form of the promotional apparatus of tourism since its inception articulated an imaginative geography of Mexico at a time when that industry became a critical means of economic recovery and political stability after the Revolution Notwithstanding their vogue popularity reach and close affiliations to commerce and state over several decades magazines have not received any sustained critical attention in the scholarship on that period This book aims to redress that oversight It argues that illustrated magazines like Mexican Folkways 1925 1937 and Mexico This Month 1955 1971 offer rich and compelling materials in that regard not only as unique tools for interrogating the ramifications of tourism on the country's reconstruction but as autonomous objects of study that form a vital if complex part of Mexico's visual culture

Handbook of Research on Cultural Tourism and Sustainability Ribeiro de Almeida, Claudia, Martins, Joao Carlos, Gonçalves, Alexandra R., Quinteiro, Silvia, Gasparini, Maria Laura, 2022-04-22 The process of globalization based on major forms of entertainment consumption has promoted the interest of enlarged social actors toward cultural experiencing Disseminated by social media new forms of information and knowledge about exotic tourism destinations have endorsed an increasing interest in forms of cultural tourism This cultural tourism turnout results from a significant change in the traveler's demands and behaviors and has led to a new and renovated interest in cultural heritage that must be studied further The Handbook of Research on Cultural Tourism and

Sustainability explores theoretical concepts related to cultural tourism and cultural routes and provides original viewpoints and empirical research with case studies and best practices for the future of cultural tourism. Covering a range of topics such as creative tourism and sustainable tourism, this major reference work is ideal for academicians, practitioners, professionals, policymakers, government officials, instructors, and students.

Global Climate Change and Coastal Tourism Andrew L Jones, Michael Phillips, 2017-11-29 Building upon the book *Disappearing Destinations* Jones and Phillips 2010 and its conclusion that promoted the need to recognize problems, meet expectations, and manage solutions, *Global Climate Change and Coastal Tourism* explores current threats to and consequences of climate change on existing tourism coastal destinations. Part 1 of the book provides a theoretical platform and addresses topics such as sustainability, tourism impacts, governance, trade, and innovation, and how the media addresses climate change and tourism. It also assesses management and policy options for the future sustainability of threatened tourism coastal destinations. Part 2 presents case studies from all regions of the world: Europe, The Americas, Asia, Africa, and Australasia, which synthesise findings to make recommendations that can be used to promote strategies that ameliorate projected impacts of climate change on coastal tourism infrastructure and in turn promote the future sustainability of coastal tourism destinations. This is a timely and informative text with appeal to researchers, undergraduate and post graduate students of tourism management, tourism planning, sustainable tourism development, and leisure management, coastal tourism management, environmental management, planning, geography, coastal zone management, or climate change studies.

Tourism and Geopolitics Derek R Hall, 2017-01-25 With 29 contributors from across Europe and beyond, this work represents a unique and important resource that examines the many relationships between tourism and geopolitics, with a focus on experiences drawn from Central and Eastern Europe. It begins by assessing the changing nature of geopolitics from pejorative associations with Nazism to the more recent critical and feminist geopolitics of social science's cultural turn. The book then addresses the important historical role of Central and Eastern Europe (CEE) in geopolitical thinking, before exemplifying a range of contemporary interactions between tourism and geopolitics within this critical region. Pursuing innovative analytical paths, the book demonstrates the interrelated nature of tourism and geopolitics and emphasizes the freshness of this research area. Addressing key principles and ideas which are applicable globally, it is an essential source for researchers, teachers, and students of tourism, geography, political science, and European studies, as well as for diplomatic, business, and consultant practitioners.

Conservation and Promotion of Heritage Tourism Srivastava, Surabhi, 2018-10-05 Culture and heritage tourism provide an important direction in sustainable funding and tourism. Assessing the potential of cultural and heritage assets, including physical and experiential values, is crucial for the sustainability of tourism attractions and regional development. *Conservation and Promotion of Heritage Tourism* is a collection of innovative methods and applications to utilize historical resources to increase tourism for long-term economic security and advancement. Highlighting a range of topics including cultural tourism, community development, and tourism

Duke, Joseph O'Leary, 2020-05-21 Natural environments and the human interactions that occur within are continuously changing and evolving This comprehensive volume explores how the impacts of climate change natural and man made disasters economic instability and other macro environmental factors can have profound implications for local and global economies fragile ecosystems and human cultures and livelihoods The authors examine the numerous ways in which changes in the natural environment impact tourism and how the tourism industry is responding and adapting to such changes in both developed and developing regions Through the various case studies that examine human interaction within what are often fragile ecosystems this book makes it clear that while adaptation can be passive in nature it can and should be much more proactive with individuals and organizations seeking improved knowledge and learning Such actions will contribute to greater resilience within the tourism industry whether in response to climate change and its subsequent impacts or an increasing scarcity of the natural resources upon which tourism relies This book was originally published as a special issue of the journal Tourism Geographies **Linking agriculture and tourism to strengthen agrifood systems in Asia and the Pacific** Food and Agriculture Organization of the United Nations, 2023-08-03 Agrifood systems in Asia and the Pacific can be strengthened by tapping on agrifood tourism linkages When tourism and agrifood systems interact both synergies and competition appear Agriculture and tourism compete between themselves and other sectors for land water labour capital and transport and logistics services Cross sectoral synergies arise when agriculture and tourism influence each other through their respective demand conditions and changes in the enabling environment These cross sectoral synergies can be instrumental in strengthening agrifood systems in the region and addressing interlinked crises in the post pandemic era Governments across Asia and the Pacific have acknowledged the potential of tapping into agrifood tourism linkages to advance sustainable development in both urban food tourism and rural areas mostly agricultural tourism and are implementing efforts to develop this subsector Agrifood tourism linkages can create income generating opportunities for farmers and tourism operators boost employment and stimulate overall economic growth promote the development of sustainable agrifood systems prevent rural youth outmigration and help preserve culinary and agricultural heritage This publication guides policymakers in the region in the preparation of a strategic plan aimed at developing agrifood tourism and the tourism food value chain as drivers of sustainable development

The successful positioning of a country or location as a culinary or agricultural tourism destination and the creation of synergies between the agriculture and tourism sectors requires a shared vision and coordination between policymakers destination managers tourism and agrifood businesses chefs farmers and other key stakeholders

The State and Cosmopolitan Responsibilities Richard Beardsworth, Garrett Wallace Brown, Richard Shapcott, 2019 This book explores the role that states might play in promoting a cosmopolitan condition as an agent of cosmopolitanism rather than an obstacle to it In doing so the book seeks to develop recent arguments in favour of locating cosmopolitan moral and political responsibility at the state level as either an alternative to or a corollary of cosmopolitanism as it is more commonly understood requiring transnational or global bearers of responsibility As a result the contributions in this volume see an on going role for the state but also its transformation perhaps only partially into a more cosmopolitan minded institution instead of a purely national or particularistic one It therefore makes the case that the state as a form of political community can be reconciled with various form of cosmopolitan responsibility In this way the book will address the question of how states in the present and in the future can be better bearers of cosmopolitan responsibilities

The Sharing Economy in Europe Vida Česnuitytė, Andrzej Klimczuk, Cristina Miguel, Gabriela Avram, 2022-01-21 This open access book considers the development of the sharing and collaborative economy with a European focus mapping across economic sectors and country specific case studies It looks at the roles the sharing economy plays in sharing and redistribution of goods and services across the population in order to maximise their functionality monetary exchange and other aspects important to societies It also looks at the place of the sharing economy among various policies and how the contexts of public policies legislation digital platforms and other infrastructure interrelate with the development and function of the sharing economy The book will help in understanding the future sharing economy models as well as to contribute in solving questions of better access to resources and sustainable innovation in the context of degrowth and growing inequalities within and between societies It will also provide a useful source for solutions to the big challenges of our times such as climate change the loss of biodiversity and recently the coronavirus disease pandemic COVID 19 This book will be of interest to academics and students in economics and business organisational studies sociology media and communication and computer science

Cruise Tourism in the Caribbean Martha Honey, 2019-06-17 This book explores the lessons learned from half a century of Caribbean cruise tourism one of the most popular and profitable sectors of the tourism industry The modern day cruise industry dates from the 1960s when the three major cruise lines Carnival Royal Caribbean and Norwegian set up shop in Florida and began selling winter cruises to the Caribbean targeting American retirees For geopolitical reasons the US initially excluded cruises to Cuba This changed in 2016 following the historic Obama Castro agreement to move towards diplomatic trade and travel normalization Cuba quickly became the Caribbean's fastest growing cruise destination This book considers the limited economic benefits of cruise tourism its environmental and social impacts and the effects of climate change and overtourism

Based on this analysis and case studies of key Caribbean and Mediterranean destinations this book cautions against overdependence on cruise tourism and outlines reforms needed to bring more benefits and equity to Caribbean countries It will be valuable to professionals businesses development agencies NGOs and academics interested in a sustainable cruise industry and the economic well being of Caribbean island nations **Mass Tourism in a Small World** David
