A Quaker Colonel, His Fiancée, and Their Connections Richard Upsher Smith Jr., 2023-07-25 A Quaker Colonel His Fiance and Their Connections Selected Civil War Correspondence offers a Northern counterpart to the great collection of Southern family letters published in The Children of Pride. Featuring recently discovered historical material, the book offers a selection of correspondence written by two Pennsylvanians and their family and friends between 1861 and 1865. The chief letter writers Charles Lamborn and Emma Taylor came from well-connected families in Chester County, Pennsylvania. Their correspondence covers the early years of their courtship until their marriage, a period when Charlie was at the warfront. Charlie's correspondence presents information about his military experiences, providing little-known details of the early campaigns of the Army of the Potomac and of the fighting for Chattanooga and Atlanta. Emma's letters describe life on the home front, illuminating how the war affected her household, town, and wider circle of family and friends in Philadelphia, Baltimore, and New York. Both Charles Lamborn and Emma Taylor embraced abolitionism and the war's aim of emancipation. They believed that the pain they suffered during those years purified their love, as it also purified the nation. In this volume, Dr. Smith has carefully transcribed, edited, and annotated the Lamborn-Taylor letters, providing important contextual information about both the larger developments in the war and the more localized sphere of Charlie's and Emma's lives.

Ménage, 1694 **The Diary of John Evelyn** John Evelyn, 2023-11-21 The Diary of John Evelyn offers an intimate glimpse into the life of a 17th century England blending personal reflection with detailed observations of the era's political and social turmoil. Written in a fluid prose style characteristic of the period, Evelyn's diary serves as both a historical document and a literary artifact rich in descriptions of everything from the Great Fire of London to the intricacies of court life. This meticulous account encodes the anxieties and aspirations of an intellectual grappling with change, capturing the interplay between the personal and the cultural backdrop of his time. John Evelyn, a renowned author, botanist, and socialite, was deeply intertwined with the Enlightenment ideals that permeated his surroundings. His varied interests, from horticulture to architecture, reflect a mind dedicated to the betterment of society. Through his diary, which showcases moments of both introspection and keen observation, Evelyn illustrates not only his own experiences but the evolution of thought in a rapidly changing world. For those seeking to understand early modern England through the eyes of a multifaceted thinker, *The Diary of John Evelyn* is an essential read. It offers rich insights into the everyday life of a man whose reflections resonate with contemporary themes of identity, progress, and the role of the individual in history, making it a timeless journey worth undertaking. *The Diary of John Evelyn (Vol. 1&2)* John Evelyn, 2023-11-27 In *The Diary of John Evelyn Vol. 1 & 2*, readers are invited into the richly detailed world of a 17th-century English polymath, revealing his reflections on art, science, politics, and the sweeping changes of the Restoration period. Evelyn's literary style is marked by a meticulous attention to detail and a keen observational prowess, capturing the zeitgeist of his time with eloquence. His diary entries serve as a valuable historical document, chronicling everything from the Great Plague to the Great Fire of London, while also engaging with themes of nature and urban life through a lens of personal and societal upheaval, thus situating the work within the broader context of Restoration literature and history. John Evelyn (1620-1706), an accomplished writer, gardener, and member of the Royal Society, was deeply influenced by his wide-ranging interests and extensive travels across Europe. His education at Oxford and his experiences of the political turbulence of his age fostered a profound desire to document and reflect on the world around him, making his diaries a vital account of both personal and public life. Evelyn's intellectual engagements and friendships with contemporary figures such as John Locke and Samuel Pepys further shaped his perspectives. As a testament to the human experience during a transformative era, this comprehensive collection is essential for anyone interested in the intersection of personal narrative and historical events. Evelyn's keen insights make the work not just a personal diary but a profound commentary on the human condition, making it a must-read for those fascinated by history, literature, and the complex web of human thought.
