**LGBTQIA Students in Higher Education: Approaches to Student Identity and Policy** Prieto, Kaity, Herridge, Andrew, 2024-01-16 Today's institutions of higher education must continuously adapt to meet the evolving needs and expectations of each new generation of students. The LGBTQIA community's presence in academia is significant and continues to grow. The individuals who identify with this community are four times more likely to attend higher education institutions away from home. However, a substantial proportion of these students remain unseen, with more than half avoiding exposure of their identity to faculty and staff and in some cases even to their peers. LGBTQIA Students in Higher Education: Approaches to Student Identity and Policy is a comprehensive academic exploration of the intricate world of LGBTQIA students in higher education. This book sheds light on the multifaceted challenges and complexities that LGBTQIA students face transcending the boundaries of sexual orientation, gender identity, race, ethnicity, ability, and socioeconomic class.
