[The Ganja Godfather](#) Toby Rogers, 2015-03-01 Genovese mob scion Silvio Eboli lived within the shadows of history and now for the first time the untold story of a mafia legend is revealed. The Ganja Godfather is the story about an ongoing organized criminal operation in real time with firsthand accounts and experiences by award winning author and investigative journalist Toby Rogers. Shadowing the Ganja Godfather, Rogers witnesses it all standing next to the Boss himself: violence, drugs, celebrities, girls, construction, hustles, crime, family, business meetings and social gatherings. From strip clubs in Atlantic City to Sunday night dinner with the wife and kids, Rogers experiences whatever the Ganja Godfather does on any given day. As exhilarating as Silvio's life had become, it certainly was much more stressful behind the scenes. Being the Empire State's spliff king was undoubtedly the hardest job in New York. And it was only after Silvio finally got to the top of the mountain that he realized just how easy it was to fall over the edge. With a wife and kids, dysfunctional family, business obligations and an out of control social life, all pulling him in conflicting paths, Silvio struggled to keep the empire moving forward without detection from law enforcement. But when he was introduced to a Colombian cocaine princess with aspirations to become a model, he saw an opportunity to expand the family's profit.

margins to unimaginable heights and risked it all despite the collision course with disaster he saw right before him
