Midnight Delights Dark Erotic Fantasies:

Night Pleasures/Night Embrace Sherrilyn Kenyon,2005-10 In Night Pleasures Kyrian of Thrace an immortal who protects humans from vampires wakes up one morning handcuffed to the one thing that can scare him a conservative woman in a button down shirt But Amanda Devereaux turns out to be his perfect partner for hunting down a deadly foe and for helping him to regain his soul and learn that love doesn't have to bite Night Embrace spins the story of Talon an ancient Celtic warrior who killed the son of the god Camulus Camulus cursed Talon decreeing death for everyone he loved Now a Dark Hunter in modern day New Orleans Talon meets Sunshine who is key to ending his curse once and for all Not to mention helping him to save New Orleans from an ancient god bent on total destruction Enter a realm like none you've ever experienced with Night Pleasures and Night Embrace Now together in one volume *Night of the Crescent Moon* M. Flagg,2024-10-02 Martine a good witch and ER nurse must enlist Lukas a mystical warrior she had pushed away years ago to save her patient who is under the spell of a dark witch from the Second Realm Simply seeing each other again has them both questioning their feelings but Martine refuses to open her heart When she asks him to return to a realm where he was once held captive he agrees With the help of an arrogant vampire and his mystically enhanced father Lukas faces unexpected danger To bring the dark witch into the human realm he must trust others in the Second Realm When the hidden portal closes and Martine's patient is safe Lukas is ready to tell her how he feels In this heart warming romance they will open their hearts to love all because of what happened on a night of the crescent moon **Invisible Pleasures** R. Pollard,2016-04-25 I have often seen the film of my first birthday party which shows me sitting like a puffed up pigeon chick in the white frilly plumage of my party dress sitting on a rug on the small but neatly trimmed rear garden lawn with my parents and aunts gathered round me in a circle My cousin another squab sits with me cushioned on the rug But I feel no affinity with or memory of the creature that blows out its solitary candle on the cake I am the child's stranger and I have little feeling for it I see it plump as it reaches out to push its finger into the eye of its cousin who sits beside it A highly amusing memoir from a newly published author Invisible Pleasures beautifully and vividly describes his life from the first tremors of his imagination as a child through his early memories in the War to the wild youthful Rabelaisian excitement of the 60s in London and his subsequent working in Borneo and Malaya as an architect It is an unrequited love story and a travelogue through parts of the pre globalised world where many places on the map then before mass tourism had sucked them dry of mystery were yet to be visited And it asks the question of what we are and where we come from in either God's World or the Universe of Science Everywhere there were places to discover and exiting tales to be told This exciting memoir of love affairs and overseas adventures will appeal to those with an interest in the arts and foreign travel **The Films of the Nineties** W. Palmer,2009-03-02 By breaking down classic films from the nineteen nineties such as Forest Gump and Titanic this book offers a reel to reel cultural analysis chronicling the concept of spin as a major sociopolitical persuasion strategy

Christian Atheist Brian Mountford, 2011-06-16 Christian Atheist examines the growing religious phenomenon of those who are drawn to Christianity without accepting its metaphysical claims or dogma Throughout the history of the Church there have been many people like this who have sat differently to the central creedal claims but in the contemporary god delusion culture more are coming out to claim acceptance for their views The key to the book is a set of interviews with people who fall broadly into the Christian Atheist category some are more agnostic and less sceptical than others but what they have in common is the rejection of traditional belief in God counterbalanced by an admiration for the aesthetic genius of Christianity leading to a sense of deeper value the Christian moral compass and in some cases the community aspect of Christian life

Midnight with the Devil Emma Castle, Castle Emma, 2018-08-13 She sells herself to a brooding stranger to save her father In Diana Kingston's defense it was the middle of the night in the hospital surely it was just a dream She hadn't really sold herself to a stranger to save her father's life right His price Her in his bed This has to be a dream right Only her father now fully recovered and a mysterious letter arrives from the tall dark handsome um Devil Yep it was right there on the contract Lucien Star aka Lucifer Morningstar Their devil's bargain begins and Diana vows not to enjoy the dark pleasures he shows her But the more time she spends with Lucien the more she's drawn to the angel hidden deep within his darkness How in heaven do you save the Devil from himself

Night Play Sherrilyn Kenyon, 2010-04-01 Bride McTierney has had it with men They're cheap self-centered and never love her for who she is But though she prides herself on being independent deep down she still yearns for a knight in shining armor She just never expected her knight in shining armor to have a shiny coat of fur Deadly and tortured Vane Kattalakis isn't what he seems Most women lament that their boyfriends are dogs In Bride's case hers is a wolf A Were Hunter wolf Wanted dead by his enemies Vane isn't looking for a mate But the Fates have marked Bride as his Now he has three weeks to either convince Bride that the supernatural is real or he will spend the rest of his life neutered something no self-respecting wolf can accept But how does a wolf convince a human to trust him with her life when his enemies are out to end him In the world of the Were Hunters it really is dog eat dog And only one alpha male can win

Sins of the Night Sherrilyn Kenyon, 2010-04-01 In the realm of the Dark Hunters there is a code of honor that even immortal bad boys must follow Harm no human Drink no blood Never fall in love But every now and again a Dark Hunter thinks himself above the Code That's when I'm summoned Who am I I'm the one thing the fearless fear Step over the line and it's my wrath you will face Nothing can touch me Nothing can sway me I am relentless and unfeeling Or so I thought until I met a female Dark Hunter who goes by the name of Danger it's not just her name it's how she lives her life She doesn't trust me at all And who could blame her She alone knows that I'm here to be judge jury and most likely executioner of her friends Yet she is my key to saving some of them Without her they all will die Dangereuse St Richard is a deadly distraction Something about her is reawakening a heart I thought was long dead But in a race against evil the only hope mankind has is that I do my duty And how can I do my duty when it means that I will have to sacrifice the only woman I've ever loved

City of Dreadful Delight Judith R. Walkowitz, 2013-06-14 From tabloid exposes of child prostitution to the grisly tales of Jack the Ripper narratives of sexual danger pulsed through Victorian London Expertly blending social history and cultural criticism Judith Walkowitz shows how these narratives reveal the complex dramas of power politics and sexuality that were being played out in late nineteenth century Britain and how they influenced the language of politics journalism and fiction Victorian London was a world where long standing traditions of class and gender were challenged by a range of public spectacles mass media scandals new commercial spaces and a proliferation of new sexual categories and identities In the midst of this changing culture women of many classes challenged the traditional privileges of elite males and asserted their presence in the public domain An important catalyst in this conflict argues Walkowitz was W T Stead s widely read 1885 article about child prostitution Capitalizing on the uproar caused by the piece and the volatile political climate of the time women spoke of sexual danger articulating their own grievances against men inserting themselves into the public discussion of sex to an unprecedented extent and gaining new entree to public spaces and journalistic practices The ultimate manifestation of class anxiety and gender antagonism came in 1888 with the tabloid tales of Jack the Ripper In between there were quotidian stories of sexual possibility and urban adventure and Walkowitz examines them all showing how women were not simply figures in the imaginary landscape of male spectators but also central actors in the stories of metropolotin life that reverberated in courtrooms learned journals drawing rooms street corners and in the letters columns of the daily press A model of cultural history this ambitious book will stimulate and enlighten readers across a broad range of interests

Beyond Fear Karen Chrappa, 2024-10-15 A JOURNEY FROM FEAR TO SELF DISCOVERY It all began with a prophetic coca leaf reading in the high Andes of Peru When Don Andreas a Q ero shaman saw a book in the leaves and urged her to write it Chrappa embarked on a quest to awaken the Divine Feminine within herself and share ancient wisdom with the world Set against the backdrop of New York City the mystical landscapes of Peru and the high deserts of New Mexico this memoir chronicles Chrappa s experiences with shamanic teachings the power of the Apus mountain gods and her own life challenges Karen s honest and often raw narrative resonates with anyone who has ever felt trapped by their own fears or societal expectations As part of a group of women seeking to change the customs rules and power structures of everyday America Chrappa learns to trust her intuition and embrace the unknown Through sharing ceremony and personal growth she discovers that enlightenment isn t a solitary journey to the mountaintop but a shared human experience With grace and vulnerability Chrappa shows us how moving beyond fear can open the door to a life of purpose connection and profound inner peace
