99 Eco-Activities for Your Primary School Sarah Watkins, 2022-07-29 This book is packed with bright ideas and practical projects for children aged 4-11 to raise environmental awareness and prompt discussion about climate change. Encouraging children to take charge right from the start, the activities range from creating recycled kites, windsocks, and garden decorations to upcycling old t-shirts, building minibeast hotels, and designing campaigns to eliminate single-use plastics from school. Some can be completed outdoors and some indoors, with each page including photos of the activity in action, plus details of the resources required and steps needed. As well as the main activity, extension ideas are provided so there is plenty to fill each session. The tried and tested activities are themed in three main areas: Eco-friendly practice, Recycling and upcycling, and Connecting with the natural world. Whether you run an eco club, a craft club, or you simply want to facilitate activities on a sustainability theme with children in your class, this fantastic book will raise awareness of environmental issues in an engaging way, and many of the activities will save your school or setting money too.
