Wilber A. Chaffee, Beecher C. Ellison, 1980 Paraguay Margaret Hebblethwaite, 2019 Bradt's Paraguay was the first stand-alone guide to Paraguay published outside of Paraguay itself and still remains the most comprehensive guide available, covering the whole country from the best-known sights to off-the-beaten-track attractions, well beyond the tourist trail, plus a cross-border excursion to the Iguaz Falls. This new edition has been thoroughly updated to reflect all the most recent changes, including new-themed tourist trails such as the Ruta Jesuítica, Multidestino Jesuit Guaraní missions, and Ruta de la Caña Paraguaya Paraguayan rum. Also covered are new luxury hotels for international events and the increase in number of flights into Asunción. Of particular note is the dramatic increase in posadas around the country, small reasonably priced government-vetted guest houses in private homes, the number of which has increased significantly. Bradt's Paraguay offers all the background information required for a successful trip, from customs and etiquette to curious snippets such as the fact that football is believed to have been invented here in the Jesuit missions in 1793 in a game that corresponds to the game known

today Nature and wildlife are also covered from the Pantanal in the north to the wetlands of eembuc to the south and to the Mbaracayu reserve to the east Immensely detailed Bradt s Paraguay is written by a well established journalist who has lived in the country for almost 20 years who runs an educational charity and who has founded a small hotel which offers tours around Paraguay and is run for the profit of local people With everything from phone numbers of local keyholders to museums and churches to a map of how to reach remote waterfalls Bradt s Paraguay is the definitive source for a rewarding trip

Paraguay, First Edition Margaret Hebblethwaite,2010 Paraguay is still largely undiscovered by travellers but those who make their way here are delighted by the country s distinctive culture and strong indigenous features A bilingual nation with Guaran spoken alongside Spanish its folk dance tradition is hugely popular among young people its harp playing is legendary and Paraguayans are proud of their different handicrafts particularly their sewing The country is also home to the historic Jesuit missions or reductions as depicted in the film The Mission Bradt s Paraguay the only English language guidebook to this emerging tourism destination covers the region with unrivalled detail and knowledge It delves deep into a country that has so far eluded the grasp of mass tourism and where rich indigenous culture and folk traditions still hold strong
