Singh,2021-11-10 Effective Management of Long Term Care Facilities Fourth Edition examines the complex operations of the long term care facility and offers critical skills to current and future long term care administrators for delivering quality cost effective services An excellent resource for both new and seasoned long term care managers this logically organized text begins with an understanding of what long term care is and why it s an integral part of the health care delivery system It moves on to explore the legal and regulatory parameters and payment constraints within which long term care facilities must be managed each of the main functional departments that administrators must understand and oversee and effective governance and leadership and management of human resources marketing and quality much of which is unique to nursing home administration The final section of the book offers case studies to simulate situations that the administrator is likely to encounter in practice **Robert Brown and the Vancouver Island Exploring Expedition** John Hayman,2011-11-01

Robert Brown a twenty one year old Scotsman arrived on Vancouver Island in 1863 for the purpose of collecting seeds roots and plants for the Botanical Association of Edinburgh Relations with his employer quickly deteriorated however and when the opportunity arose in 1864 to head the Vancouver Island Exploring Expedition Brown eagerly accepted the position as its commander During the four and a half months of the expedition Brown kept a journal which is published here for the first time It is remarkable for its record of life on Vancouver Island over a century ago and its description of the island s pristine wilderness as well as for its proposals for future economic development The accounts of agricultural settlements at Cowichan Chemainus and Comox and of the coal mining town of Nanaimo are among the earliest available The Vancouver Island Exploring Expedition did not venture north of Comox but it crossed the island at several points often by new routes and in the process left its mark by giving place names to several locations The expedition s most celebrated achievement was the discovery of gold at Leech River named after the second in command which resulted in a short but sensational gold rush Robert Brown was exceptionally interested in the way of life of the native people His entries on land reserve policies and on the failure to settle land claims are especially pertinent today Excerpts from his related writings among them one of the earliest records of a potlatch at Alberni and a collection of Indian myths and legends display an appreciation unusual at that time Most of the known drawings of the expedition by Frederick Whympers the travelling artist are included in the book and give a contemporary view of many of the sites the expedition encountered A checklist of Brown s other writings on the northwest coast completes the book
