

# The facets of faith

- The intellectual facet
- The emotional facet
- The volitional facet

“Although these three facets may be distinguished, they must be integrated when saving faith takes place. The person believes in Christ with all his being, not just his intellect or emotions or will.”

“We conclude that the type of faith necessary for salvation involves both believing that and believing in, or assenting to facts and trusting in a person. It is vital to keep these two together.”
