

What's changed recently?

What's the current effect on the market?

In your presentations, we looked at various factors companies will pay their attention to when determining whether to invest. Today, you will pay attention to 3-5. Please read your notes (pages 10-5, 10-6, 10-7), and make notes on the following statements. Write your predictions of how they affect the cost of financing. Do you think they will have a positive or negative effect on the company's ability to pay for capital?

1. What happens when you get a new financial report? (Remember the effect on the cost of financing. If the company's financial report is positive, the cost of financing will be lower. If the company's financial report is negative, the cost of financing will be higher.)
2. What happens when the market is in a panic? (Remember the effect on the cost of financing. If the market is in a panic, the cost of financing will be higher. If the market is not in a panic, the cost of financing will be lower.)
3. What happens when the market is in a panic? (Remember the effect on the cost of financing. If the market is in a panic, the cost of financing will be higher. If the market is not in a panic, the cost of financing will be lower.)
4. What happens when the market is in a panic? (Remember the effect on the cost of financing. If the market is in a panic, the cost of financing will be higher. If the market is not in a panic, the cost of financing will be lower.)
5. What happens when the market is in a panic? (Remember the effect on the cost of financing. If the market is in a panic, the cost of financing will be higher. If the market is not in a panic, the cost of financing will be lower.)
