Faith Study Guide Kenneth Hagin In Word:

Bible Faith Study Course Kenneth E. Hagin, 1974 *The Worldview of the Word of Faith Movement: Eden Redeemed* Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative, semiotic, practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

Prosperity Gospel? Christopher Anthony, 2025-08-21 This book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles. Uncovering new sources, the author presents a constructive theology of the Word of Faith movement offering a deeper and more precise understanding of its development and function. Combining historical and theological methodologies, this work makes a significant contribution to the field, shedding light on previously unexplored historical roots of Word of Faith theology and revealing their profound theological implications. This title is a valuable resource for scholars and practitioners alike, especially those interested in the world of Faith theology and its impact on contemporary religious thought.

Word and Power Gareth W. D. Stewart, 2015-02-16 Historically, the Reformed and Charismatic streams have seemed to be almost mutually exclusive. In recent years, this exclusivity has been being challenged by a new generation of Reformed thinkers. This work aims at considering the contribution of John Wimber, the late leader of the Vineyard Churches, to contemporary theological reflection within the Reformed tradition. Taking into account John Wimber's unique theology of the radical middle, which is somewhere between Pentecostal and Evangelical, this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty-first century. Written from a confessional Presbyterian context in Northern Ireland, *Word and Power* places Wimber in his theological context and asks whether Wimber's view of power, evangelism, discipleship, formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today.

God's Irresistible Word Kenneth W. Hagin, Jr., 1989 This powerful book brings a fresh awareness of the unchanging irrefutable power in the Word of God.

From a Stage Iii-Iv Cancer to Recovery Ambayeba Muimba-Kankolongo, 2015-03-06 Four years ago, my health began deteriorating with a blood pressure reaching 200/250. I became anemic, lost about 20-23 kilograms within a short period.

and developed severe abdominal pain followed by rectal bleeding I was told I had a large rectal tumor that needed to be urgently removed I was shocked and frightened I traveled to Canada for a second opinion After laboratory tests it was a stage 34 colorectal cancer nearly obstructing my large bowel I was subjected to an aggressive long cycle radiation and chemotherapy treatment followed by complex surgeries for years after which I was declared cancer free While in the hospital particularly following the nine hour surgery for tumor removal I could not regain rapidly my vital signs meaning I was dead in medical terms However by the Lords grace I opened my eyes My spouse and I had several dreams pointing to a spirit of death rooming around me As the scripture in Job 33 14-18 says For God does speak now one way now another in a dream in a vision of the night when deep sleep falls on men as they slumber in their beds He may speak in their ears and terrify them with warnings I surely knew that believing in the Lord Jesus Christ and having faith in the Heavenly Father will instantly turn my desperate situation into a joyful one I committed my time to reading regularly the Bible and my family relatives and friends all over the world prayed for my healing and recovery As written in Psalms 130 1 Out of the depths I cry to You O Lord Together we pleaded unto him and he lifted me from down the valleys to the tops of mountains Continual prayers acted as a strong medication to cure the illness
