Field Guide To The Kokoda Track:

Field Guide to the Kokoda Track Bill James, 2006 **The Kokoda Campaign 1942** Peter Williams, 2012-04-23 The fighting on the Kokoda Track in World War II is second only to Gallipoli in the Australian national consciousness The Kokoda campaign of 1942 has taken on mythical status in Australian military history According to the legend Australian soldiers were vastly outnumbered by the Japanese who suffered great losses in battle and as a result of the harsh conditions of the Kokoda Track In this important book Peter Williams seeks to dispel the Kokoda myth Using extensive research and Japanese sources he explains what really happened on the Kokoda Track in 1942 Unlike most other books written from an Australian perspective The Kokoda Campaign 1942 Myth and reality focuses on the strategies tactics and battle plans of the Japanese and shows that the Australians were in fact rarely outnumbered For the first time this book combines narrative with careful analysis to present an undistorted picture of the events of the campaign It is a must read for anyone who is interested in the truth of the Kokoda campaign of 1942 **Anzac Journeys** Bruce Scates, 2013-07 Charts the history of pilgrimages to the battlefields and cemeteries of World War Two through surveys interviews and fieldwork All the Broken Soldiers Jan McLeod, Andrew McLeod, 2022-11-03 This is the story of a soldier without a gun It is personal yet universal It is the story of what is left behind when the battles have been fought and the war has moved on To the Australian Army Private Lawrence Nicholas Kennedy was NX21854 a soldier who served for 1907 days with the 2 4th Australian Army Field Ambulance in Australia the Middle East the Kokoda Track and New Guinea during World War II With older brother Bill by his side the Kennedy boys experienced the adventure and the joy the loss and the despair of war like too many others before and since To those who knew Nick Kennedy after the war he was a dedicated and professional psychiatric nurse To the author he was her gentle Uncle Nick remembered as a kind funny and generous man who seemed older than his years The small diary he kept during World War II helped her understand why that was so Kennedy's words and photographs tell the harrowing and compelling story of one young man who went to war not to kill the enemy but to save his fellow soldiers only to return home forever changed by the challenges hardships and tragedy he experienced All the Broken Soldiers provides a rare insight into an aspect of war fought by soldiers equipped with little more than a basic medical kit and a Red Cross armband those who cared for the broken soldiers that war leaves behind **Kokoda** Karl James, 2017-03-27 Kokoda Beyond the Legend provides readers with a complete understanding of this major turning point in the Second World War **Journeys and Destinations** Alex Norman, 2013-07-16 Journeys and Destinations Studies in Travel Identity and Meaning brings together scholarship from diverse fields all focused on either practices of journeying or destinations to which such journeys lead Common across the contributions herein are threads that indicate travel as a core component as a concept or a practice of the fabric of identity and meaning To Kokoda Nicholas Anderson, 2014-10-05 When the Japanese war machine swept through South East Asia in early 1942 it was inevitable that conflict would reach Australian territory on the island of New Guinea The ultimate

Japanese target was Port Moresby Conquering the capital would sever communication between Australia and her American ally and allow Japanese air power to threaten Australia's northern cities When a seaborne invasion was thwarted at the Battle of the Coral Sea the Nankai Shitai landed in Papua on 21 July and lunched an overland attack Having captured the village of Kokoda with its vital airstrip the Japanese headed for Port Moresby traversing the treacherous Kokoda trail that winds across the might Owen Stanley Range The Australian Army was ill prepared to confront the Japanese Poorly equipped undertrained and unaccustomed to jungle warfare the untested militia battalions were the first to face the battle hardened invading forces Later when veteran AIF brigades were rushed forward to bolster the militia they also fell in the path of the Japanese onslaught But the over extension of supply lines and disaster on Guadalcanal eventually cruelled Japanese aspirations and the Kokoda campaign became a bloody and protracted struggle as the Australian troops fought to drive the Japanese off the Owen Stanleys and out of Papua While the front line troops were engaged in a bitter fight for survival a power struggle erupted at the top of the Allied command hierarchy resulting in a series of sackings the competing ambitions of the Allied commanders clouding their judgement at a critical time It was under these conditions against a determined enemy and on one of the harshest battlefields on earth that the Australian forces began to learn the crucial lessons that would be needed to break the back of the Japanese Army in New Guinea Kokoda Legend David Howell, 2024-06-05 One of the finest soldiers and most courageous leaders I have ever known Lt Doug McClean D Coy 39th Battalion If you have trekked Kokoda then the campsite of Templeton's Crossing will be familiar Discover the story of the man behind the name Captain Sam Templeton was the first Australian Officer to be captured by the Japanese in the Kokoda Campaign After being interrogated by his captors he was executed on the battlefield Templeton had predicted his fate telling a platoon commander if he went into action he wouldn t come back Having resigned himself to his destiny Templeton misled his captors on the numerical strength of the Australian forces waiting in Kokoda and Port Moresby Did Templeton's misinformation slow the initial push by the Yokoyama Advance Force into the Owen Stanley Range allowing the Australian Imperial Force to join the fight earlier Did Templeton create doubt in the mind of the commander of the South Seas Force influencing an operational change for the attack on Port Moresby A quiet and often aloof character Templeton's name and actions became synonymous with Kokoda Originally from Belfast Templeton is reputed to have helped quash the Irish rebellion served in submarines with the Royal Navy during the First World War and to have fought with the International Brigade in the Spanish Civil War Kokoda Legend goes beyond the myth to discover the real contribution Captain Sam Templeton made to stopping the Japanese advance over the Owen Stanley Range in 1942 Pilgrim JFK Miller, 2022-08-01 To walk the Kokoda Track is to undertake two journeys The first starts at Owers Corner and undulates through 96 kilometres of primary jungle over the Owen Stanley Range until you reach the village of Kokoda on the other side This journey is ordinarily taken in the company of others and with a backpack which you may hire a porter to carry for you if you wish The second journey began the moment you were born It

brings to the track baggage of a different kind This you must carry yourself and the journey you must make alone So begins IFK Miller's account of his ten day jungle trek along Papua New Guinea's Kokoda Track The journey was effectively two journeys The external journey was the physical ten day trek over the track The internal journey was the emotional aspect including what Miller brought to the experience the mental illness of depression and what he gained from it Bolt Action: Campaign: New Guinea Warlord Games, 2017-08-24 In 1942 Japanese forces to the Kokoda Track ,2019 invaded the island of New Guinea and started a bitter three year campaign against allied Australian and American forces Fought in dense jungles and across rugged mountaintops the grueling fight pushed men to their very limits and forced commanders to adopt new strategies and tactics for the harsh island terrain Filled with new rules scenarios and unit types this supplement for Bolt Action provides players with all of the information they need to set their games in this unforgiving **Shadows on the Track** Jan McLeod, 2019-01-05 At Templeton's Crossing in October 1942 Private Nick battlefield Kennedy paused to write in his diary One wonders why all this strife should be these men in the prime of their life cut down like flowers As a young nursing orderly serving with the 2 4th Australian Field Ambulance Kennedy was unenviably well placed to reflect on the futility of war The Australian Army was woefully unprepared to fight a medical war in Papua and the soldiers paid the price Almost 30 000 soldiers suffered from illness and tropical diseases and an estimated 6000 were killed or wounded during the six month campaign These statistics have traditionally been represented as unavoidable consequences of fighting a war in a place such as Papua This book disputes that narrative Death and disease were inevitable outcomes but the scale of the suffering was not The medical challenges presented in Papua were extreme they were not insurmountable Shadows on the Track considers a wide range of issues that impacted on the health of the Australian soldiers before during and after the Papuan campaign was fought and won The strengths successes shortcomings and failures of the medical campaign are identified analysed and evaluated The focus on the front line medical personnel the men of the field ambulance units brings a new perspective to the battles of the Kokoda Track Milne Bay and the Beachheads Shining a light on these Australians who tended the sick mended the wounded and buried the dead in Papua makes stepping out of the shadows a little easier Saving Port Moresby David W. Cameron, 2022-09-21 Commemorating the 80th Anniversary of the Battles in New Guinea David W Cameron one of Australia's leading military historians new Kokoda Campaign series will take you from the Battle for Isurava to Port Morseby and finally the retaking of Kokoda For the first time these significant battles of Australian troops are comprehensively explored After taking Kokoda Plateau in late July 1942 Japanese forces entered the Owen Stanley Range their mission was to capture Port Moresby After the battles for Deniki and Isurava the Japanese pushed south through the mountains The Australians were in a determined fighting withdrawal After a delaying action at Templeton s Crossing they took up a position along Mission Ridge south of Efogi Village After two days of bloody hand to hand fighting in a battle known as Butcher's Corner the Australians were again forced to withdraw After further delaying actions fewer

than 300 Australians took up a position on Ioribaiwa Ridge just 50 kilometres north of Port Moresby They were reinforced by the 25th Brigade After a week of fighting the Japanese cut through the 25th forcing the Australians to fall back to Imita Ridge the last defensible ridge in the Owen Stanleys immediately behind lay Port Moresby Walking with Ghosts in Papua New Guinea Rick Antonson, 2019-09-10 Acclaimed travel writer Rick Antonson Full Moon Over Noah's Ark tackles his most challenging adventure yet a formidable trail through the remote jungles of Papua New Guinea Rick Antonson has traveled to parts of the world that are not simply exotic but sometimes damned near inaccessible. He has climbed to the summit of Mount Ararat in eastern Turkey traveling beyond to Iraq and Iran and Armenia He has undertaken an improbable overland journey to the ancient city of Timbuktu an enlightening look into efforts to preserve the city's priceless manuscripts Now he has traversed the notorious Kokoda Trail in Papua New Guinea a country some call the last wild place on earth The trail is a narrow 60 mile footpath featuring rough jungle 6 000 feet in elevation change and punishing weather extremes In a country unfairly locked in Western misperceptions the track is inhospitable terrain yet home to hospitable indigenous peoples who live among the rusting reminders of the Japanese Australian and American armies that clashed in some of the deadliest protracted combat of World War II In Walking With Ghosts in Papua New Guinea Antonson shares a journey of physical and mental endurance in his inimitable way in the company of a mixed band of resolute adventurers blending fascinating historical context with the tribulations of unexpected discoveries in faraway lands Lonely Planet Papua New Guinea & Solomon Islands Lonely Planet, Lindsay Brown, Jean-Bernard Carillet, Anna Kaminski, 2016-11-01 Lonely Planet The world s leading travel guide publisher Lonely Planet Papua New Guinea watch a traditional singsing festival group or sleep in a stilt house on the mighty Sepik river all with your trusted travel companion Get to the heart of Papua New Guinea and the Solomon Islands and begin your journey now Inside Lonely Planet Papua New Guinea it s in every traveller s hands It s on mobile phones It s on the Internet It s everywhere and it s telling entire generations of people how to travel the world Fairfax Media Australia Important Notice The digital edition of this book may not contain all of the images found in the physical Australian Geographic ,2007 **Spirit of Adventure** Wayne Enright, 2019-11-05 When the Spirit of Adventure edition Calls to our Heart we must go This quote written in memory of Mark Auricht who died on Mt Everest in 2001 reminds us of our enduring connection with nature and the magnetic attraction of adventure It not only enlivens our soul but also has the power to draw from within us a strength courage resilience and passion that for some lies dormant until awakened Beyond the story of triumph and tragedy in the Himalayan landscape this book is also about the journey that takes place within us when we explore the limits of our self imposed boundaries to find the hidden treasures of our heart As the world enters a time of unprecedented change we must evolve new ways of thinking living learning and leading that will help us to navigate the challenging terrain of this new frontier May this heart felt tribute to the enduring spirit of Mark Auricht serve as an inspiration and a compass for future leaders adventurous souls and explorers of human potential The Proud 6th Mark

Johnston, 2009-01-19 Following Mark Johnston's acclaimed illustrated histories of the 7th and 9th Australian Divisions this is his long awaited history of the 6th Australian Division the first such history ever published The 6th was a household name during World War II It was the first division raised in the Second Australian Imperial Force the first division to go overseas and the first to fight Its success in that fight in Libya in 1941 indicated that the standard established in the Great War would be continued General Blamey and nearly every other officer who became wartime army corps and divisional commanders were once members of the 6th Division Through photographs and an authoritative text this book tells their story and the story of the proud independent and tough troops they commanded The Architect of Kokoda Robyn Kienzle, 2011-07-26 In my humble opinion Bert Kienzle did more than any other single man to make Australian victory possible Peter FitzSimons author of Kokoda In 1942 when the Japanese had invaded Papua New Guinea and the Australian soldiers sent to hold them back thought victory was impossible one man Bert Kienzle changed the course of history This charismatic man well known in Papua for having run gold mines and plantations there was charged with the seemingly impossible task of establishing a trail across the forbidding Owen Stanley Range in just a few short months Out of jungle and mud Kienzle carved a working transport route that his handpicked teams of native bearers the now famous Fuzzy Wuzzy Angels would work on alongside the Australian troops ensuring that the men got the food munitions and medical support they needed The feats that these men performed were heroic and their endurance as they transported supplies along the Trail unparalleled Bert Kienzle lived an amazing life and the transport route he established the legendary Kokoda Trail made Australia s victory possible This is South Pacific Handbook Bill Dalton, David Stanley, 1979 Provides historical and travel information for visitors his story to Polynesia Cook Islands Samoa Tonga Islands Fiji Islands New Caledonia New Hebrides Solomon Islands New Guinea and Micronesia
