The second edition, revised and corrected from the Latin original by Mr. Bond George Buchanan,1827     **The North American Student** ,1916     **State, Society and Mobilization in Europe during the First World War** John Horne,1997-07-03 This volume examines political and cultural mobilisation in the face of industrialised mass death during the First World War Comparing Britain France Germany Italy and Austria Hungary it generates arguments on mobilisation and total war which have wider relevance It explores national ideals which cast the war as a crusade the inclusive self mobilisation of sectional identities and private organisations behind national efforts and the exclusion of suspect groups the enemy within from the mobilisation process It also highlights the importance and difficulty of assessing the limits of mobilisation as well as the differing capacities of the state to sustain it factors related to prior degrees of national integration and political legitimacy Mobilisation in this sense was an important factor which determined the outcome and legacy of the war     **Who's Who in Jewish History** Joan Comay,2023-05-31 From Karl Marx to the Marx brothers the Routledge Who s Who in Jewish History presents a complete reference guide to over a thousand prominent men and women who have shaped Jewish culture Covering twenty centuries of Jewish history it provides detailed biographical information on each leading figure analysis of their role and significance both in Jewish life and the wider culture a comprehensive chronological table displaying the history of the Jewish race a useful glossary giving precise definitions of Jewish words     The Publishers Weekly ,1917     **Department of State Publication** United States. Department of State,1946     **Fascination** David Hinds,2016-02-08 May 1968 Paris is awash with violence and public unrest In a small cinema where a surreal film is showing another riot is taking place Here the enraged audience smashes up the auditorium tear out the seats and chase the film s director onto the street This is the premiere of Jean Rollin s feature debut The Rape of the Vampire An outsider of French cinema Rollin s films are unique and dreamlike They offer tales of mystery and nostalgia obsolescence and seductive female vampires with a thirst for blood and sex It is a cinema at once strange evocative and deeply personal Funding his own projects Rollin defiantly made the films he wanted to make and in so doing created a fantastique genre unlike any other The Nude Vampire The Living Dead Girl and The Grapes of Death are among those films now celebrated as the work of an auteur one who confounds preconceived notions of Eurotrash cinema This book is devoted to the director and all his work across all genres including a nascent French hardcore pornographic film industry Written with full co operation from Jean Rollin shortly before his death in 2010 it contains exclusive interviews and archive material     **The Bloody Red Hand** Derek Lundy,2011-04-20 A bestselling chronicler of the sea turns to a trio of his own ancestors to see what memory and the selective plundering of history has made of the truth in Northern Ireland The name Lundy is synonymous with traitor in Ulster Derek Lundy s first ancestral subject was the Protestant governor of Derry in 1688 just before it came under siege by the Catholic Irish army of James II For reasons that remain ambiguous Robert ordered the

gates of the city opened in surrender Protestant hard liners staged a coup de ville and drove him away in disgrace a traitor to the cause But Robert is more memorable for his peace seeking moderation than for the treachery the standard history attributes to him William Steel Dickson s legacy is a little different a Presbyterian minister born in the late 18th century he preached with famous eloquence in favour of using whatever means necessary to resist the tyranny of the English including joining forces with the Catholics in armed rebellion Finally there is Billy Lundy born in 1890 the antithesis of the ecumenical William and the embodiment of what the Ulster Protestants had become by the beginning of World War I a tribe united in their hostility to Catholics and to the project of an independent Ireland The lives of Robert Lundy William Steel Dickson and Billy Lundy encapsulate many themes in the Ulster past In telling their stories Derek Lundy lays bare the harsh and murderous mythologies of Northern Ireland and gives us a revision of its history that seems particularly relevant in today s world Excerpt from *The Bloody Red Hand* The other thing I remember is the look the young man gave me after he had taken the cash put his pistol away and was standing with his hands in his jacket pockets It wasn t the expression of someone who was thinking of shooting me too I never had that feeling But the way he looked at me was so familiar wary and calculating Many people in Belfast had stared in the same way since I d arrived for a visit For a long time I couldn t understand what it meant Eventually I knew They were trying to decide what foot I kicked with what religion I was There were supposed ways to tell subtle indicators Was I someone they should fear Or was I one of them That was what the armed robber was doing too He had just shot a man who knew him by his first name But he was looking at me the stranger and trying to figure out whether I was a Prod or a Taig

Tyra,2024-02-22 This book claims that John Calvin developed Greek doctrines of the interim state of souls resurrection and beatific vision through his reading of ancient Christian sources like Irenaeus of Lyons Greek had been a technical term in Western theology since at least the 12th century to denote heterodox eschatology Thomas Aquinas had employed it in that sense and early modern Catholics like Robert Bellarmine and Pierre Coton in turn applied it to Calvin The book demonstrates that in this respect at least Calvin s opponents were correct he was a Greek However it questions whether that fact should lead modern theologians to dismiss him as a resource for contemporary reflection Calvin s deep respect for and continuity with early Christian voices may serve as a positive model for theologians today particularly in the Reformed tradition By the same token Reformed thinkers who seek inspiration from medieval scholasticism may find their relationship to Calvin complicated by the case presented here Regeneration Through Violence Richard Slotkin,2024-01-23 National Book Award Finalist A study of national myths lore and identity that will interest all those concerned with American cultural history American Political Science Review Winner of the American Historical Association s Albert J Beveridge Award for Best Book in American History In *Regeneration Through Violence* the first of his trilogy on the mythology of the American West historian and cultural critic Richard Slotkin demonstrates how the attitudes and traditions that shape American culture evolved from the social and psychological anxieties of European settlers struggling in a strange new world to claim the land and displace Native Americans Using the popular literature of the seventeenth eighteenth and early nineteenth centuries including captivity narratives the Daniel Boone tales and the writings of Hawthorne Thoreau and Melville Slotkin traces the full development of this myth Deserves the careful attention of everyone concerned with the history of American culture or literature Comparative Literature Slotkin s large aim is to understand what kind of national myths emerged from the American frontier experience He discusses at length the newcomers search for an understanding of their first years in the New World and emphasizes the myths that arose from the experiences of whites with Indians and with the land Western American Literature Fallen Angel Yukito Kishiro,1992 The Historie of Great Britain Under the Conquests of the
