The Golden Age of Pinehurst Lee Pace,2012-11-15 One of the finest golf courses in America in the early 1900s was the revered Pinehurst No 2 designed by the legendary Donald Ross and first opened in 1907 Physically and mentally demanding the course gave players options on every hole and required them to envision and execute recovery shots from the sandy perimeters and the pine forests as well as think creatively around the intricate greens As a result No 2 became a favorite of the nation s top amateurs and professionals Unfortunately a modernization of the course over the last four decades stripped it of much of its character In The Golden Age of Pinehurst Lee Pace chronicles the breathtaking restoration of No 2 from its recent slick and monochromatic presentation back to a natural potpourri of hardpan sand wire grass and Sandhills pine needles The restored No 2 accessible for amateur play yet challenging enough for the professional once again stands apart for its beauty strategic appeal and Old World flavor

Postcolonial Parabola Jay Rajiva,2017-09-21 Postcolonial Parabola Literature Tactility and the Ethics of Representing Trauma interrogates the relationship between the literary representation of postcolonial trauma and the embodied experience of reading As the conditions from which postcolonial literatures have emerged require a break

from proper ways to represent trauma postcolonial writers expand and complicate the practice of reading itself Though postcolonial literature s capacity to represent trauma has received considerable scrutiny in recent years Postcolonial Parabola is innovative in its consideration of the postcolonial text as a literary object Working within a phenomenological framework that ties together disparate postcolonial periods Jay Rajiva explores how narrative structure shapes the experience of reading the postcolonial literatures of South Africa India and Sri Lanka He argues that these texts enmesh the reader in an asymptotic tactility though readers might approach the disclosure of trauma they cannot arrive at it Awareness of the asymptotic nature of reading such works is crucial to a meaningful ethical engagement with literary representations of postcolonial trauma
