Globe And Mail 20university Report:

Accounting for Social Value Laurie Mook, 2013-01-25 When organizations use social accounting practices they are able to measure their performance in terms of benefits accrued to key stakeholders such as their communities human resources and those investing in the organization This innovative change in accounting can lead to a fundamentally different perspective on the value of an organization Through case studies of organizations that have implemented social accounting in the United States Canada India and Scotland *Accounting for Social Value* provides a unique perspective for understanding key issues in this growing field Building on two related titles *Researching the Social Economy* 2010 and *Businesses with a Difference* 2012 *Accounting for Social Value* offers academics accountants policy developers and members of non profit co operative and for profit organizations tools and insights to explore the connections between economic social and environmental dimensions The lessons learned are valuable not only for other social economy organizations but also for organizations in the public and for profit sectors

The Organized Academic Elizabeth A. Wells, 2022-10-17 The daily grind of the modern professor can be stressful chaotic and at times seemingly impossible to organize In her book *The Organized Academic* award winning scholar pedagogue and former Dean Elizabeth Wells offers realistic day to day techniques that promise to transform your academic life With so much going on organization is your best weapon against the burnout and disarray of scholarly living A guidebook like this is an essential addition to any serious achiever's collection

Follow Your Interests to Find the Right College Janet, Paul Marthers, 2015-11-23 *Follow Your Interests to Find the Right College* is a different sort of college guide one that helps students and their families better understand the vast amount of options available for college based on a student's interests Topics in this comprehensive easy to understand guide include but are not limited to the argument for liberal arts college degrees programs in Canada UK Australia and beyond art and architecture programs business equine related opportunities engineering health care majors Ivy League benefits of public liberal arts colleges and university honors programs armed service academies environmentally oriented colleges and programs faith based colleges And much more Students parents and college advisers will appreciate the vast amount of information presented and synthesized in this user friendly format Even the most college savvy reader can turn to the well researched thoughtful chapters on almost every academic or social area as well as advice on broader college related topics such as financing college and advice for home schooled students By providing and interpreting vast amounts of data not collectively available online or in other guidebooks each chapter provides both an overview and fine detail for a wide variety of subjects Using this book as a starting point parents and advisers can quickly increase their knowledge in a given area and be ready to help students explore options with confidence while also making the best use of their time Once you know what you want in a college you can evaluate the best way from an admissions strategy to get there Until you know what you want however it doesn't make sense to jump into the application game Your admissions plan could be very different from your friends based on what you actually want to get out

of your college experience Knowing the options and figuring out the best ones for you will make you your child or your student a smarter more strategic and more confident college applicant *Last One Out Turn Off the Lights* Susan E. Cleyle, Louise M. McGillis, 2005 Libraries in the United States and Canada are facing similar challenges to their futures Editors Susan Cleyle and Louise McGillis have pulled together an impressive list of contributors to look at the future of the profession and answer the question is it time to turn off the lights and call it a day Essays challenge the reader on five different topics the Web library as place pushing to the desktop certification and the future of associations Contributors were asked to think outside the box and take readers to places they may not have been before thus providing both LIS students and practicing librarians with innovative ways to position themselves to serve a future society that is information hungry
