"*Pet Therapy*" Phil Arkow,1998 *Social Welfare in Africa* John Dixon,2016-03-22 First published in 1987 this book analyses social welfare in the major countries of Africa at that time For each country it considers the ideological framework underlying the social welfare system and describes the historical development of both the system and the political and socio economic context Each chapter looks at the structure and administration of the systems in place and how these are financed Contributions examine the nature of the different parts of the welfare system surveying social security personal social services and the treatment of the following key target groups the aged those with disabilities and handicaps children and youth disadvantaged families the unemployed and the sick and injured Each chapter concludes with an assessment of the effectiveness of the system considered In this book particular attention is paid to the role of foreign aid agencies and to missionaries and to the special problems of poverty and famine in Africa *Ophthalmologia Optica & Visio in Nummis* J.M. Galst,P. Van Alfen,2018-11-30 **Library of Congress Subject Headings** Library of Congress,Library of Congress. Subject Cataloging Division,1988 *Understanding Education for the Visually Impaired* Ronél Ferreira,Maximus M. Sefotho,2020-12-31 The contribution that this book makes to scholarship is regarded as ground breaking as it is based on recent research conducted with teachers on the ground level as well as on research and experiences of practitioners gained over many years In this volume Understanding education for the visually impaired the focus falls on understanding visual impairment within the South African context more specifically on what the education of these learners entails In addition to the contribution to existing literature in the fields of inclusive education and visual impairment the publication has practical application value for teachers and practitioners who work with and support such learners **Canine Ergonomics** William S. Helton,2009-04-28 Since *Canis lupus familiaris* first shared a fire with man more than 15 000 years ago dogs have been trusted and valued coworkers Yet the relatively new field of canine ergonomics is just beginning to unravel the secrets of this collaboration As with many new fields the literature on working dogs is scattered across several non overlapping disci
